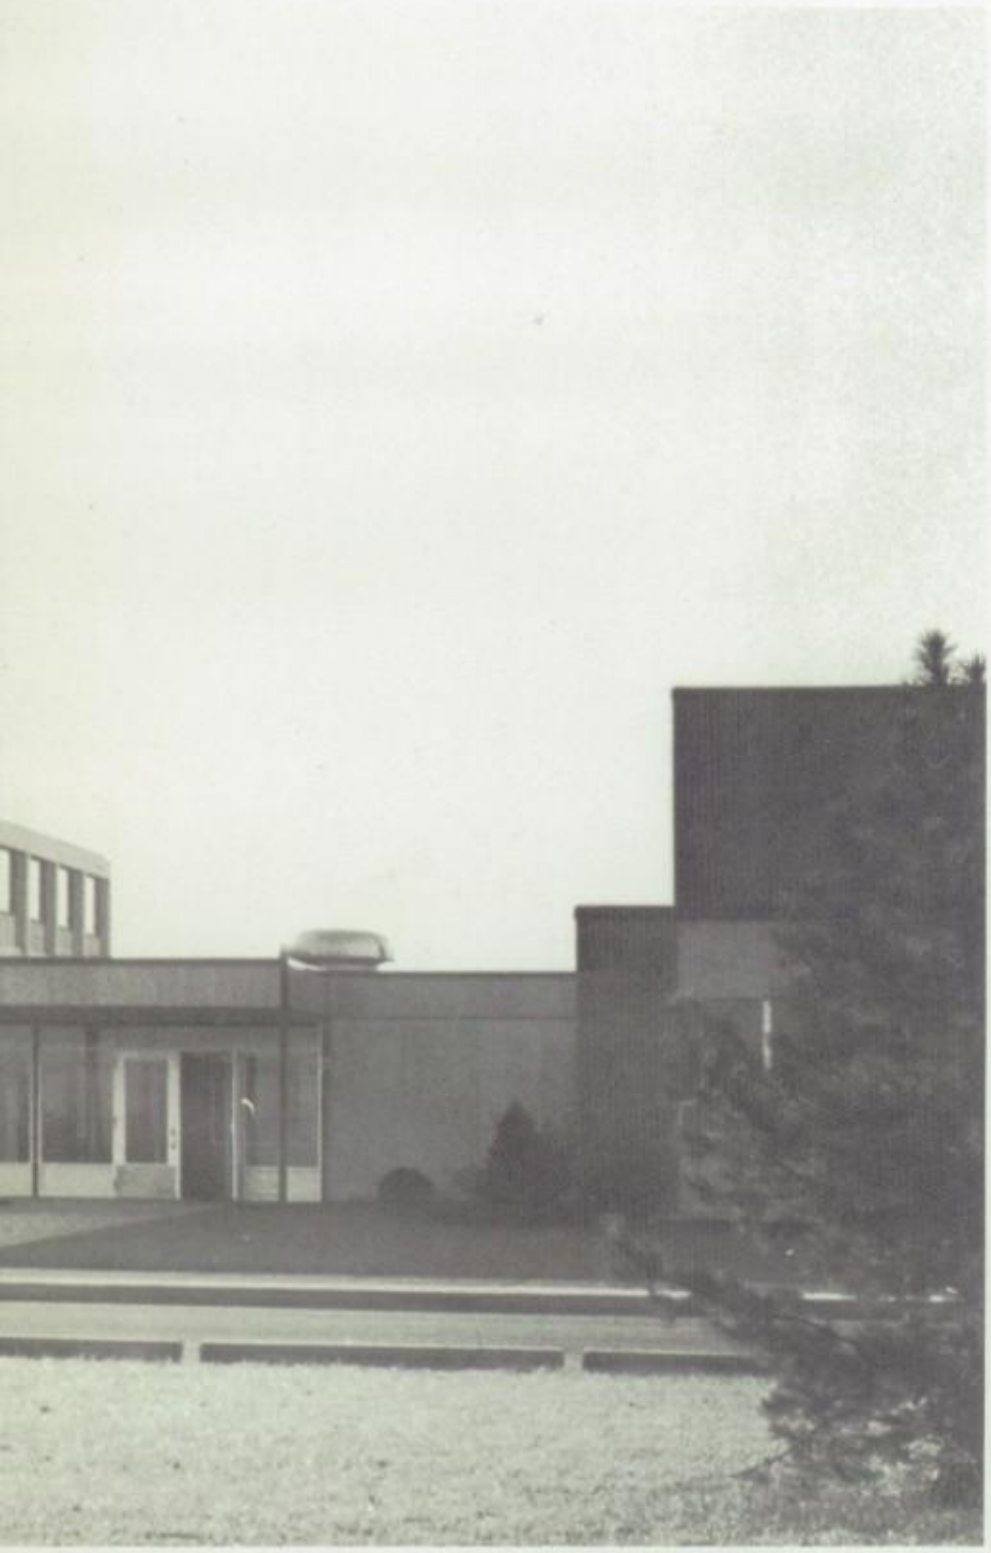
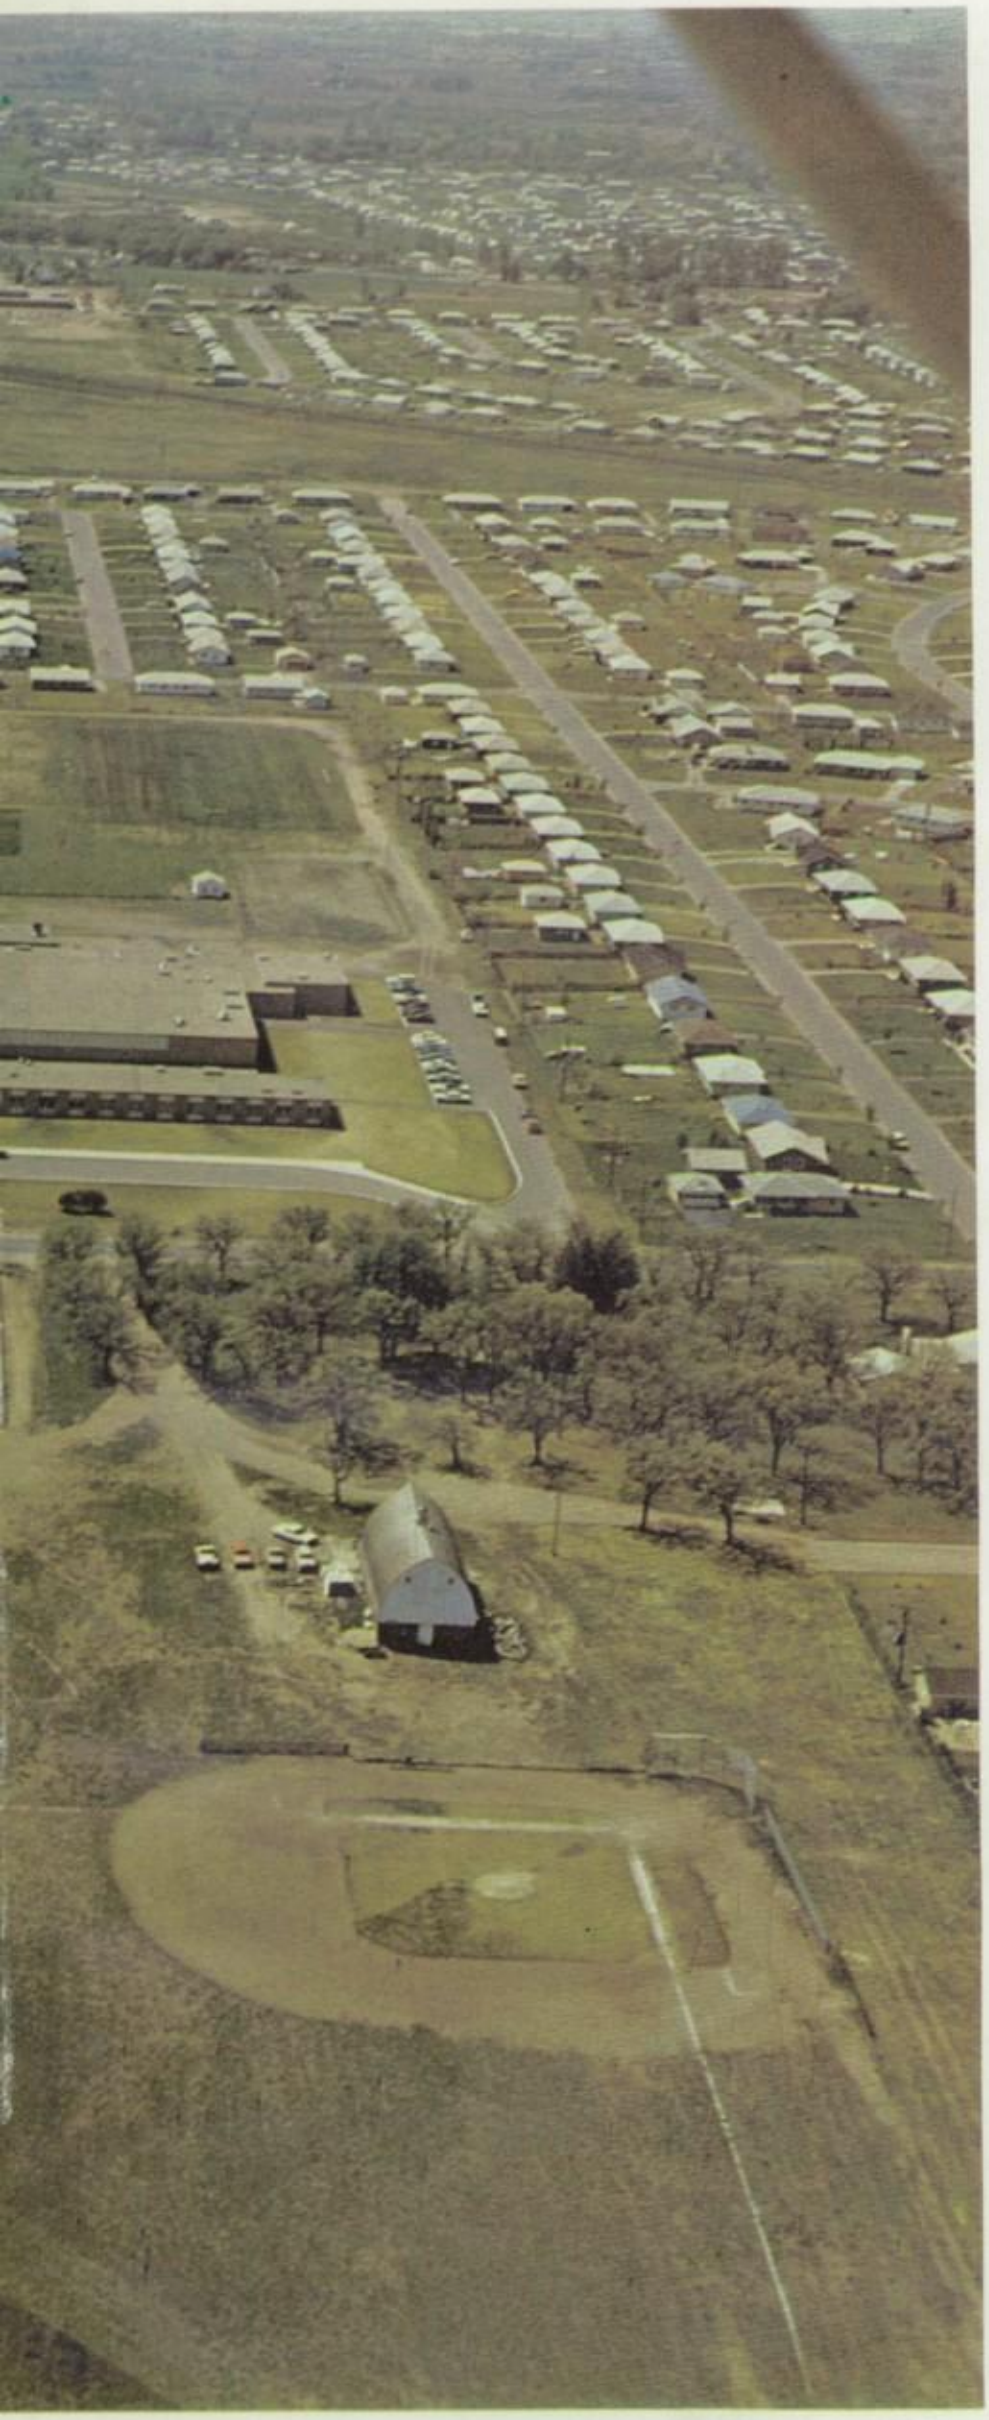
INDEX 232

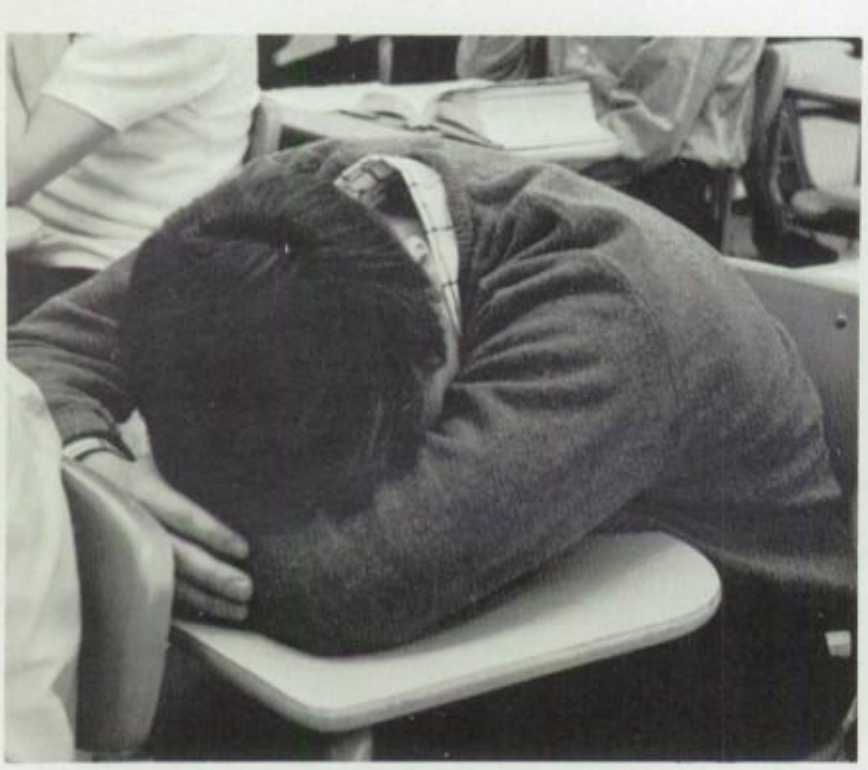




THROUGHOUT the year the students, faculty, and administration have made this a year to be proud of. The sophomores take pride in not only being a new addition to our school, but in carrying on school spirit and tradition. Juniors take pride in obtaining high standards in academic, social, and extracurricular activities. The seniors are proud to go into the world knowing that they are carrying with them the standards they set through the years.

We, the students of Coon Rapids Senior High, are proud to present our 1966-67 school year.

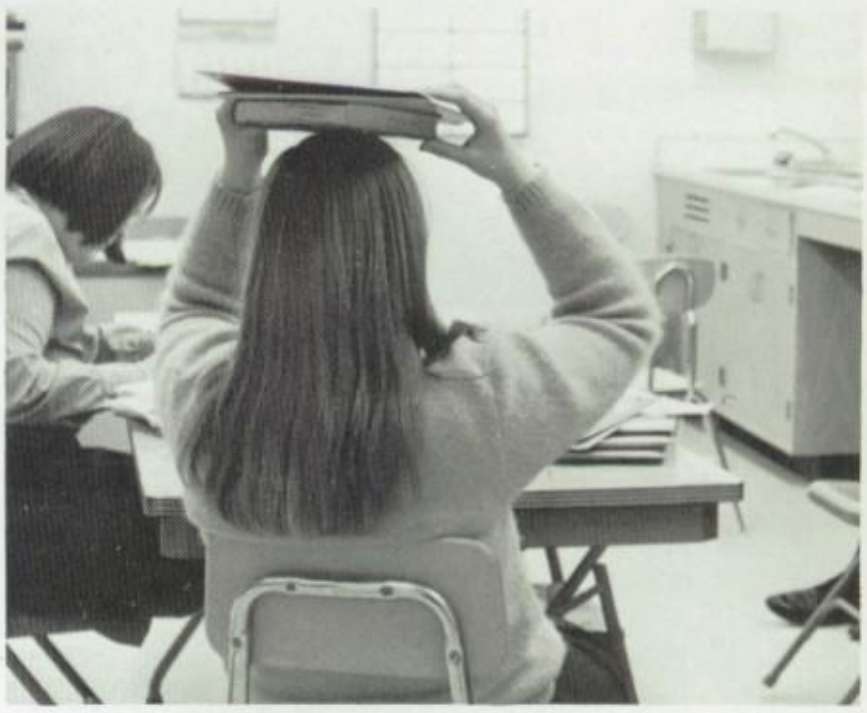
An artist's work is never done.

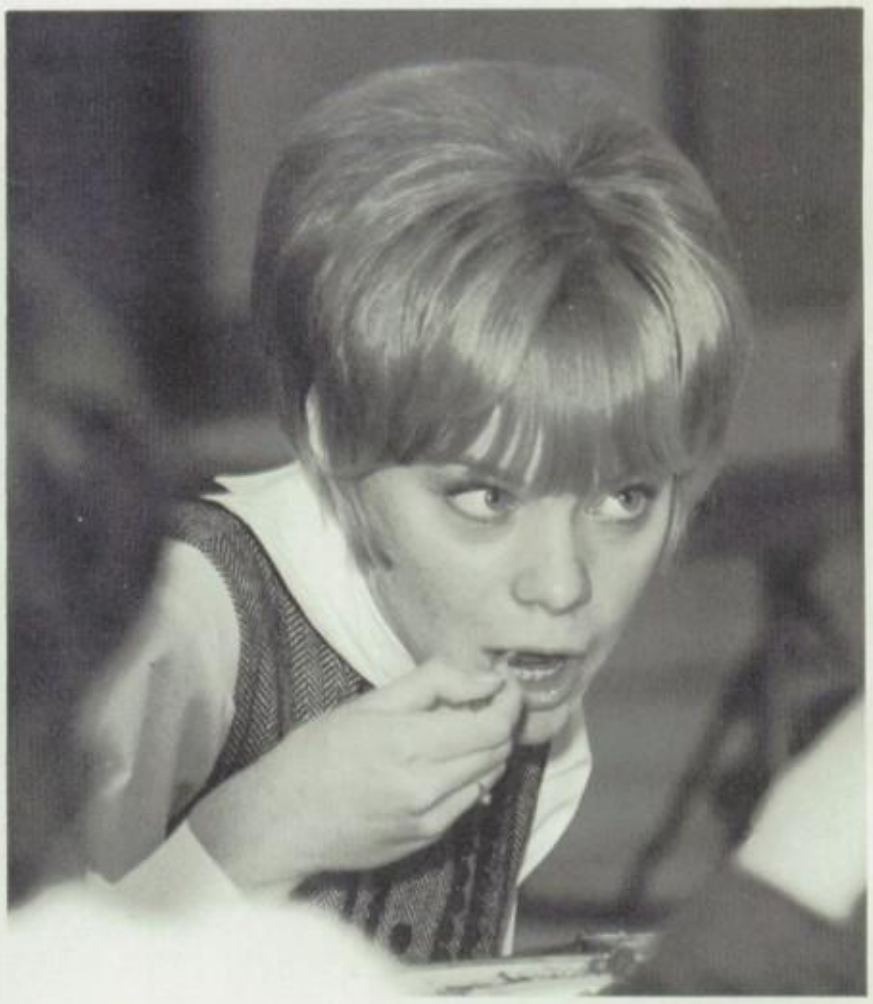


Hard work deserves REST!!

Don't let the books go to your head.

STUDENTS ENJOY THE VARIOUS ACTIVITIES OF A ROUTINE DAY





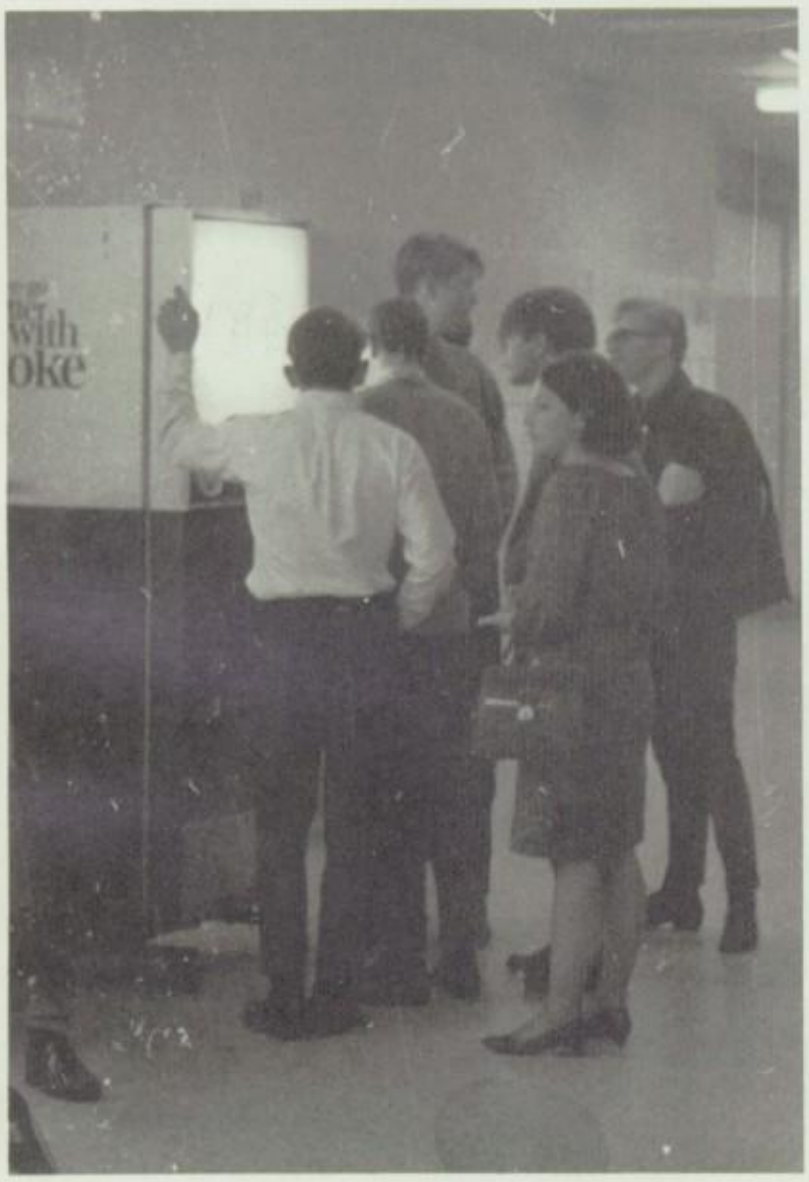
Is that so?

Let's see . . . First hour-typing,
Second hour . . .

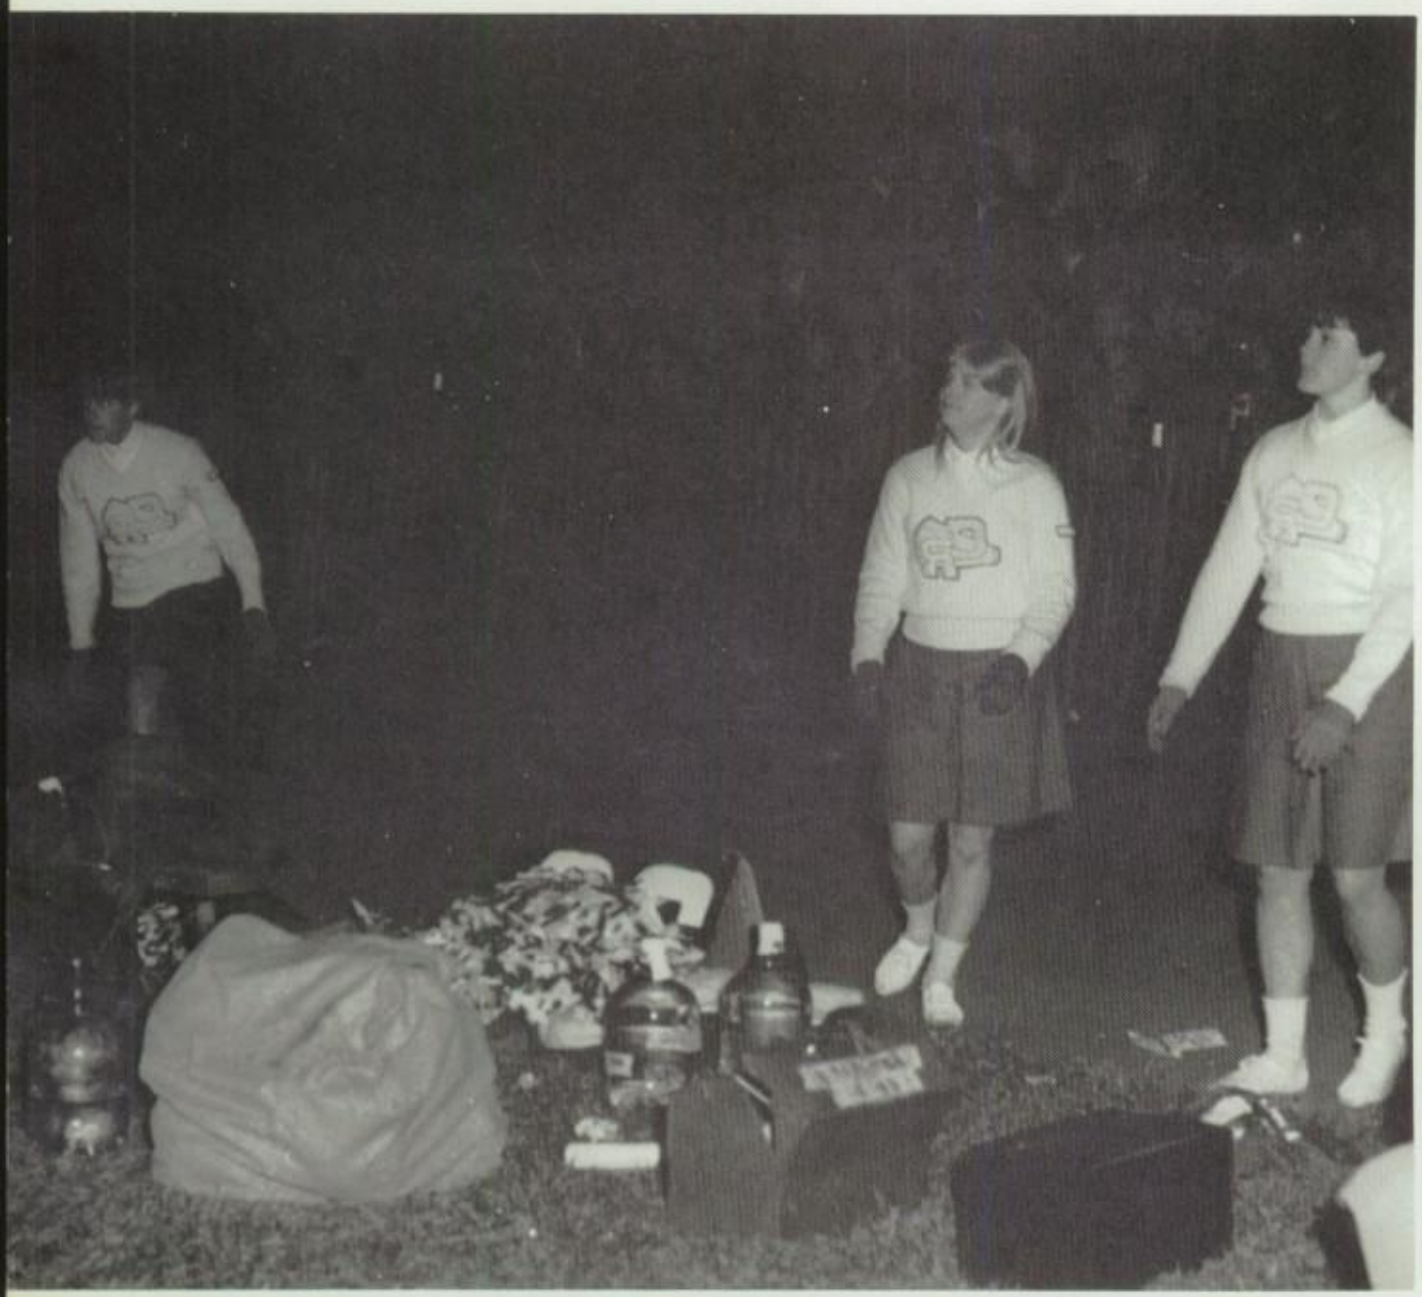
VARIETY IS THE SPICE OF LIFE AT COON RAPIDS

Steve adds finishing touches to winter scene.

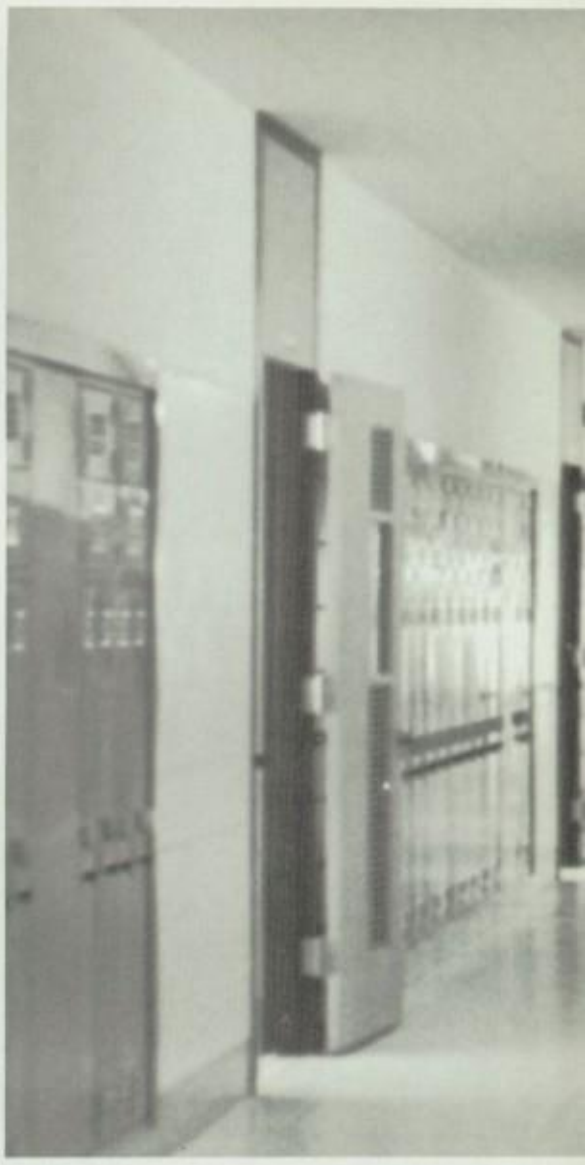
The Pep Band peps up pep fest.



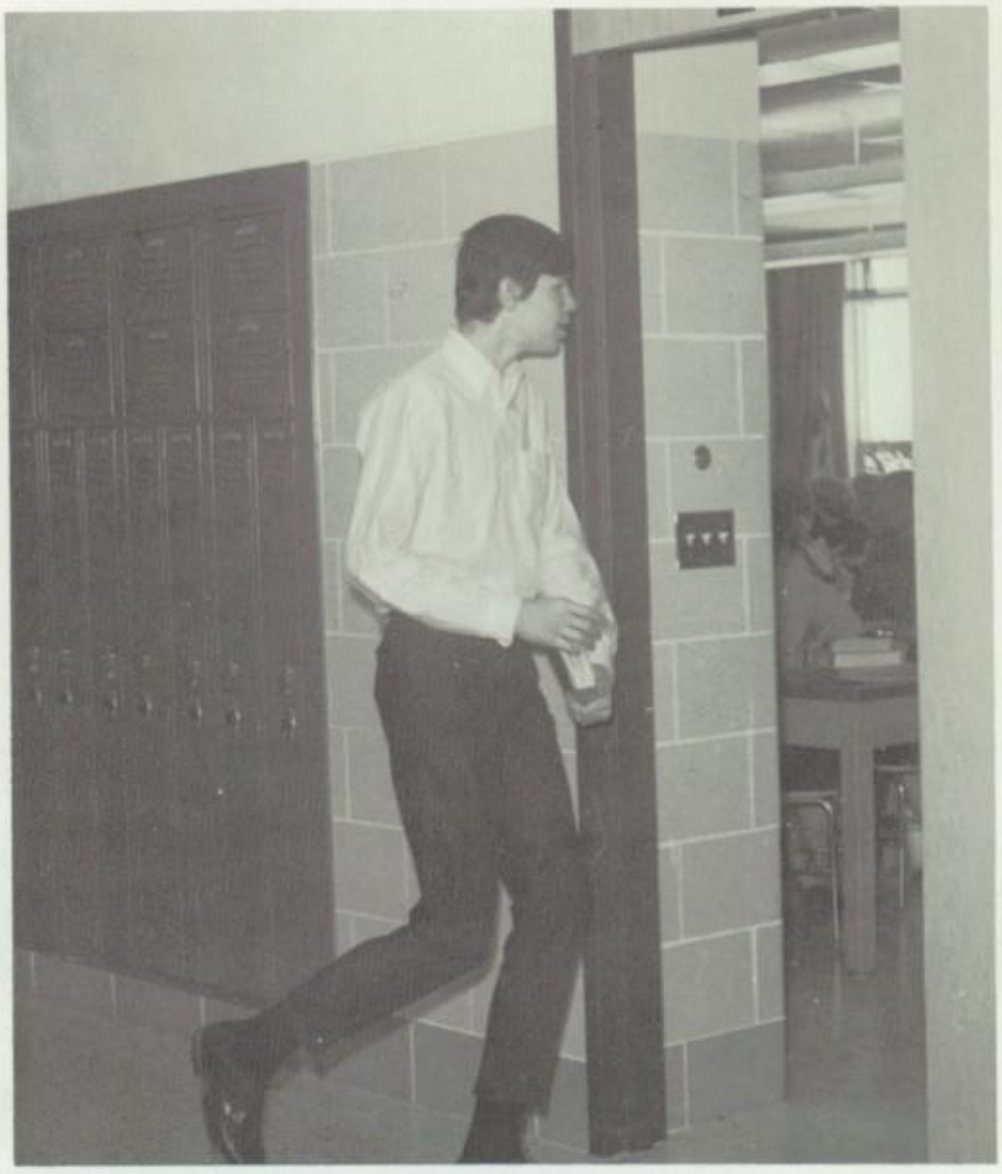
In memory of our coke machine . . .



The football cheerleaders take a well deserved break.



In Latin class the students find various ways to express themselves.



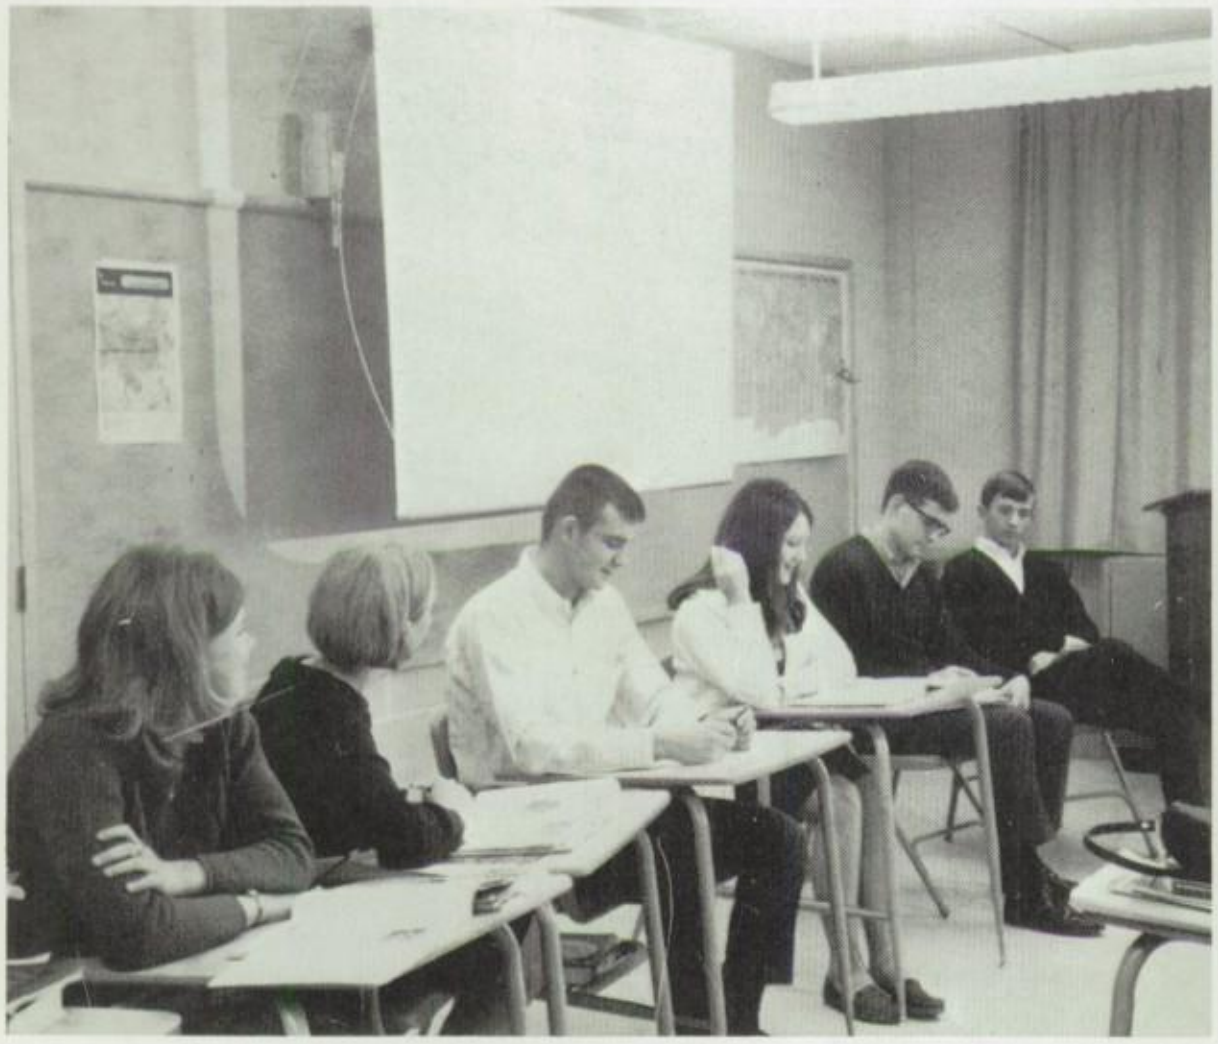
Oh good grief, I'm late again!

STUDENTS OF CR HAVE MANY ACTIVITIES

The art students display their work.

The wrestlers display a bit of humor.

What we really need is an elevator.



Today's problems are solved by panel discussions.

Notice the empty hands; one master had a very enjoyable Slave Day.

Look Out! It's the five minute rush between classes.

Is this how it's done, Miss Kelly?

"After saying that, she said . . . "

FACULTY SKIT STRIKES AGAIN

As the students of Coon Rapids had their moments of fun, so did the faculty. October 7 the faculty of Coon Rapids presented their satire of Cindrella . . .

Once upon a time in the land of Ramsville, there lived a beautiful maiden named Cardinella and her three Sisty Uglies. On the night of Fun and Games, Cardinella was feeling very lonely because she wasn't going with her sisters to the Fun and Games. As Cardinella was feeling at her worst, her fairy godmother appeared and changed Cardinella into a ravishing beauty. Cardinella then went to the Fun and Games. A couple days later Prince Puny appeared looking for the lovely maiden who had lost her slipper. First he tried it on the three Sisty Uglies; it didn't fit. Then it was Cardinella's turn to try the slipper, and it fit. Cardinella and Prince Puny lived happily ever after. This skit ended very happily and it was also a happy beginning for our Homecoming festivities. As one can see our faculty contributed much to our school and its spirit.

Miss Person narrates the skit "Cardinella."

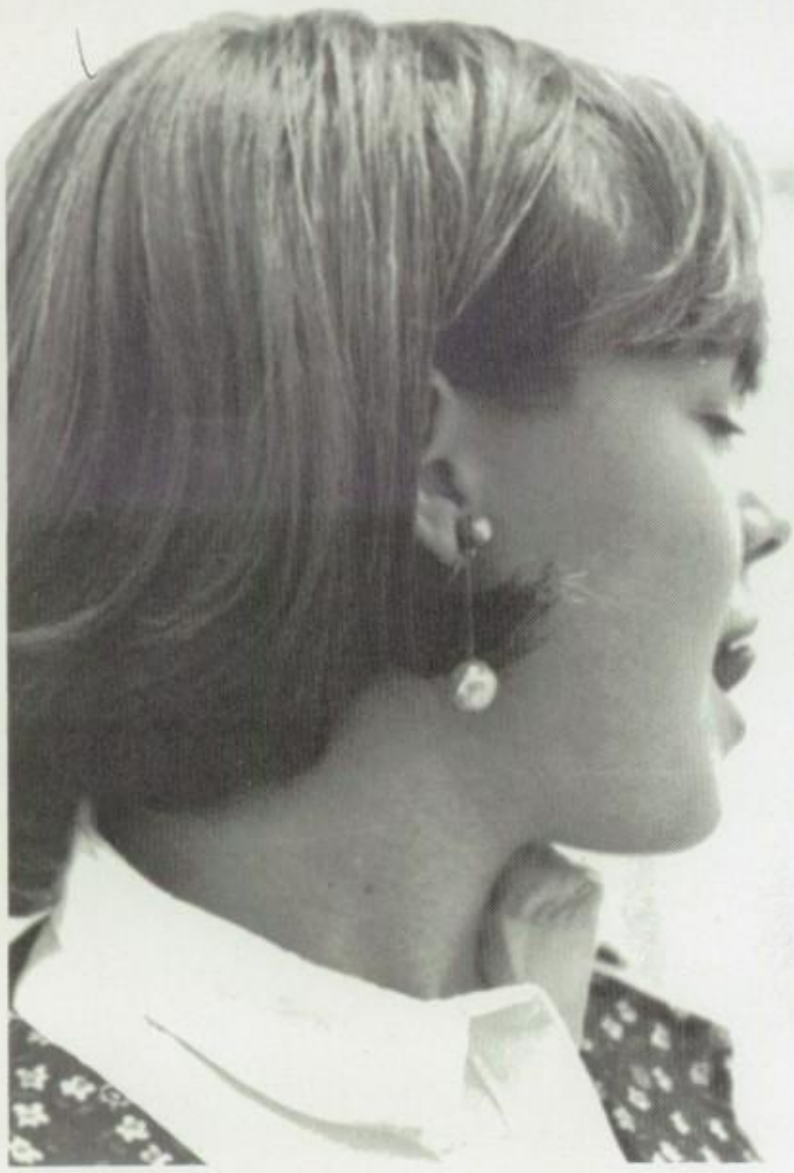
The Prince searches for his lovely maiden.

As the story progresses, the fairy god-mother, played by Mr. Kortmeyer, waits to transform Cardinella into a beautiful princess.

Mother Goose's feline friend frets over faculty foolishness.

Cardinella, Mr. Johnson, has some cleaning up to do before the Fun and Games.

As Mr. Rolph directs, the Greek Chorus chants on.



AS THE SEASONS CHANGE, SO DO FADS

My heart was beating 120 times a minute, I slowly trudged to the principal's office. I pulled and tugged at my skirt in the attempt to materialize four additional inches, only to discover that the more I pulled the shorter my skirt looked.

I remember the horror of the needle painfully penetrating my ear, and the relief of hearing it was all over when I came to.

Ya know my long hair really came in handy when that crazy photographer pointed his camera in my direction, boy did I fool him.

Geez, I finally got a pair of these really neat ankle-high boots, and when I wore them to school I almost died when I saw that everybody else was wearing tall ones to the knee. I gave my ugly short ones to my dog, ya think he would chew them up — heck no!

I decided to straighten my hair by ironing it, the only problem was that the iron got too hot . . .

academic

THIS year the most important factor in our education is the faculty and administration. They have not only guided us with our class work, but they have advised our clubs and entertained us with their annual homecoming skit. We as students are proud of our Coon Rapids Senior High Staff.

DR. ERLING O. JOHNSON: Superintendent of Schools

DISTRICT 11 TO GAIN VOCATIONAL SCHOOL

The School Board has made many decisions this year. For instance, several bond issues came up for remodeling the Coon Rapids Junior High School, the refurnishing of the Char-Gale building in Anoka for a new vocational school, and swimming pools in Coon Rapids Junior High and Anoka Senior High. The majority of people of Anoka District 11 approved all except the swimming pools.

A compliment was given to Coon Rapids Senior High when Mr. Johnson spoke to the student body, April 24. Mr. Johnson said that very few schools have gone so far so well in the two years that Coon Rapids has been a school. To prove this statement he pointed out that for the second time, Coon Rapids has been runner-up in the state speech contest, the wrestlers won Suburban and District titles, the basketball team was district runner-up in 1965-66. Our many trophies have been acquired in two years while it has taken other schools several years to get half that many.

The first line drawn on a blueprint for achieving excellence in education is the dedication of school board members. Coon Rapids Senior High wishes to give special recognition to Mr. Fred Moore of Anoka. He has given sixteen years of sincere interest to the educational process of young people. Throughout the rapid growth of District II, he gave generous attention to its future needs as well as its present demands.

MR. GARTH LAPPIN: Principal

COMPUTER RELIEVES A PRINCIPAL'S TASK

Mr. Lappin never seems to run out of things to do. If he isn't making announcements, he's giving an "on the spot" speech to the student body or making out a report to give to the Board of Education. Mr. Lappin is laying the foundation work to get CR an accredited school. The North Central Association (NCA) will evaluate our school and see if it meets their standards. This process often takes three or four years of work by the principal, teachers, and students. For the first time the programs for the students for the next year will be scheduled by computer; before Mr. Lappin had done this.

MR. KUFUS, ADVISERS

MR. KUFUS: Assistant Principal

"Send the note up to 211, 4th hour."

MR. LEERVIG: Junior Counselor

MRS. COLEMAN: Sophomore Counselor

GIVE PERSONAL HELP

Like the principal, Mr. Kufus, the assistant principal, never ran out of things to do. Making out yellow, pink or blue passes, checking the cars in the student parking lot to see if any of them lacked the required sticker, checking the absentee list, taking care of detention and giving general help to students who come to him kept him going almost constantly. Often times Mr. Kufus ran the school when Mr. Lappin was out of town on a convention.

The counselors did more than just talk to the problem students. They helped the students decide on the next year's schedule, helped the students to get the information they need to go on to college, supervised the Iowa Basic Skill Tests and others like the National Merit Scholarship tests. The counselors also had quite a bit to do with the Scholarship Association and collected the money and the left over tickets from the students.

COON RAPIDS OFFERS EXTRA SPECIALS

Many changes have taken place in the special education department this year. Mrs. Carlson, the nurse for first semester, filled in for Miss Goddard who was getting her Masters degree in Public Health. Mrs. Eckerholm replaced Mrs. Thompson, who was ill, in the reading classes. Mrs. Radebaugh took over for Mr. Paul Hribar in speech correction.

This year again the junior class had their smallpox shot. But a funny thing happened. Three-fourths of the students didn't get swollen arms.

ART STUDENTS PAINT AND REPAINT DUNGEON

"Down with Baggy Pants" or how about "I Just Put a Gas Tank Attendant In My Gas Tank." Walls, posts, and radiators were painted down in the deep, dark "dungeon." Only Art III students were allowed to paint there under the training of Mr. Mc Gowan. Emphasis was placed on creation of everything. Art II used mainly the media of ink, water color and pencils as they drew still life, landscaping and figures.

Once again Mrs. Reed's students drew pictures for children's books, and figure drawing was one of the more important techniques to acquire during the year.

The art students led the whole student body in the drive for deeper art appreciation. This was done by hanging paintings done by the students in the halls and the classes.

MR. JOHNSON: Business Orientation, Merchandising and Sales I

Business Law, Merchandising and Sales, Consumer's Science and Business Orientation prepared the students for the world of tomorrow. Court procedures and business contracts seldom failed to get the student's attention.

Bookkeeping not only showed the pupils how to budget large amounts of money for big companies, but it showed them the importance of budgeting their own money.

Typing, Steno, and Office Practice trained students for jobs either right after graduation or after a fairly small amount of higher education. Typing is the backbone for both Steno and Office Practice.

JUNIOR CLASSES READ "SEPARATE PEACE"

English 10, 11, and 12 provided Coon Rapids' students with three different aspects in literature and grammar this year. The emphasis upon various subjects depended upon the teacher, of course, but each class generally followed a specific outline.

Sophomore English served the dual purpose of introducing the student to literature from all countries of the world, while also developing the compositional and grammatical skills of each student. Major literary works read by the sophomore classes were Shakespeare's Julius Caesar, and Sophocles tragedy, Oedipus Rex. To develop writing skills, several classes wrote short stories, while others wrote descriptive paragraphs.

The junior English students found a switch in the emphasis of the previous year, studying less grammar and more literature. However, the main concentration was on American literature from colonial through modern times. Several novels were read during the year, including Knowles' A Separate peace, Twain's Huckleberry Finn, and Hawthorne's Scarlet Letter.

Seniors found themselves concentrating on compositional skills for a good portion of the year, with emphasis on creative writing rather than on grammar. In addition, students concentrated on British literature from the Roman invasion through modern times. The major work read by the class was Shakespeare's Macbeth, and some classes read Dostoevsky's Crime and Punishment, while others read Hardy's The Return of the Native.

English students this year have concentrated on differing studies. However, the English department in this way presents the student, during his three years in high school, with different ideas which will help him in his future life.

SPEECH II CLASSES LEARN DANCE FORMS

MISS BIRKELAND: English XII, Forensics

Speech I gave the basic fundamentals for speaking. Often two times a week students were asked to demonstrate their ability and they were graded on this.

Speech II classes studied advanced acting, producing one act plays, and learning basic dance forms. The dance unit was the favorite as students got to wear cut-offs, go barefoot, and improvise. Routines from this class were used in a program for the Fine Arts Festival.

For the second time the Coon Rapids speech department took runner-up in the state speech contest. Miss Birkland and Miss Person supervised this and drilled the contestants time after time until perfection was completely accomplished.

"Don't worry, he can't feel anything."

MISS PERSON: Speech I

MRS. FRASER CHANGES LIBRARY POLICIES

MRS. GUZY: Library Secretary

The new librarian, Mrs. Fraser was busy this year between getting new books and repairing old ones, checking the new library passes, keeping the files in order, and attending to many other details. This year students who wanted to use the library often found it open until five o'clock and sometimes later. Mrs. Fraser kept the library a quiet, resourceful place for students to go.

MRS. FRASER: Librarian

STUDENTS STUDY ART OF HOMEMAKING

"Is this a Cape Cod?" was one of the many questions asked by the home economic students during the year. The planning of a wedding, a scale floor plan for "your perfect house" were a few of the problems assigned to the students.

The regular home economics classes were led by a new teacher in our school, Mrs. Bell.

LANGUAGES TEACH

In Latin class learning new things never seemed to stop. First it was the femine declension, masculine declension, and then the "neuter law," endings for the right verb, right tense, right person, and right case never failed to stump some students. Mrs. Johnson lead the class to form a Classics Club. This is the first year there has been an after school activity for the Latin students.

From out of the French room came many sounds. The singing of a song was occasionally heard, the translating of a French paragraph; repetition of verbs, nouns, and pronouns echoed down the hall.

German classes read Thomas Mann in the original. Board games were a favorite activity along with writing notes in German on the board to fellow German class members.

The Spanish classes got a new teacher in the middle of the year. Mrs. Bloedel, who taught Spanish for the first half of the year, went to Italy. A substitute, Mrs. Vieman took her place. Many games were played that came from Spain. An added interest in the Spanish classes was Myrna Laurents, a girl from Mexico who is receiving her high school education here.

MR. COLEMAN: Plane Geometry, Senior Math

The math departments got off to a roaring start this year with their usual first day assignments and then kept up the fast, interesting pace through the rest of the year.

The trigonometry and solid geometry class uses three books, one of which is new this year, Welchons' **Solid Geometry.** The college algebra students had an added attraction with a real live computer in the first quarter and access to the University of Minnesota's in the last semester.

FITNESS IS GOAL OF PHYSICAL EDUCATION

Oh, the aches and pains of the stiff muscles that weren't even known until those fifty sit-ups or forty pull-ups were done in the girls physical fitness test. Modern dancing, volleyball, table tennis, badminton and basketball were a few of the activities done in the girl's side of the gymnasium.

Wrestling, track, baseball and gymnastics kept the boys on their toes. They also took the bi-annual physical fitness tests.

MUSIC HAS A GOOD YEAR AT COON RAPIDS

Each year the band seems to get busier and busier. Once again they got first in the Pumpkin Bowl Parade. Members sold candy to raise money for the new band risers. The Pop Concert was next with a singing group taken from the band.

For the first time there were three choirs in the senior high. The Mixed Choir sang with the Carden-Belles at the First State Bank of Coon Rapids at Christmas. The Girls Choir, who named themselves the "Carden-Belles", sang at the Anoka State Hospital at Christmas. They also made light blue dresses for the Spring Concert. The Sophomore Choir went to Roosevelt Junior High and put on a concert in March.

The orchestra had two members, Mona Hector and Sherri Hanson, who were selected to the All State Orchestra. The orchestra put on Christmas and Spring Concerts for the students and parents.

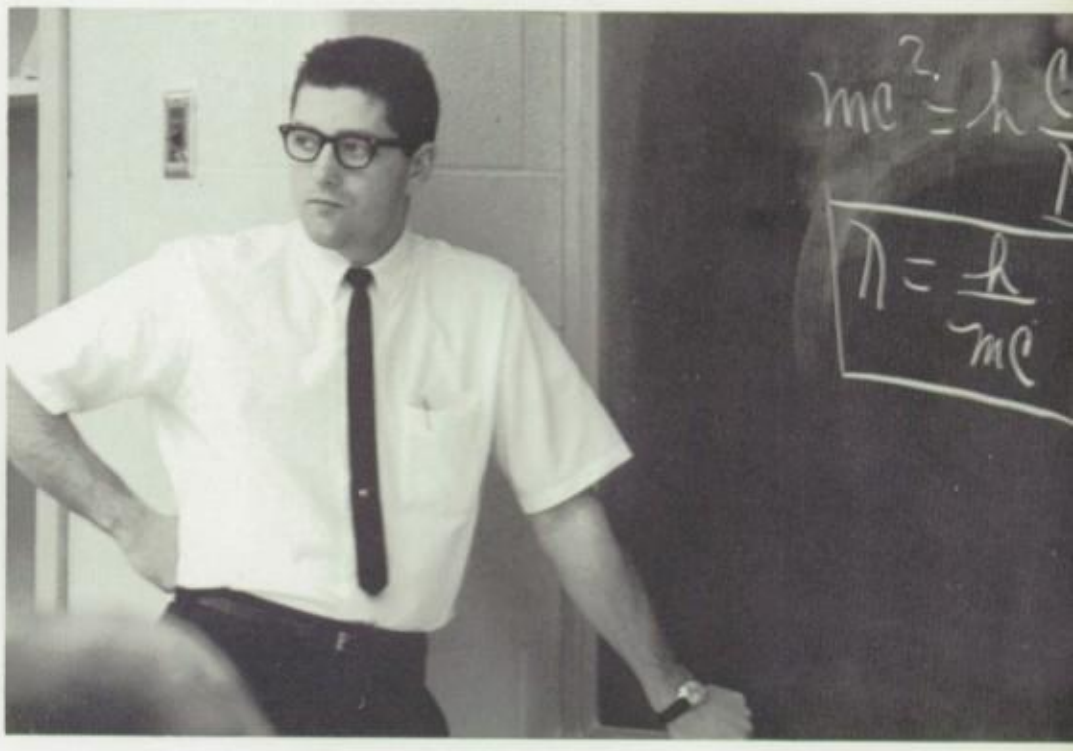
MR. KRUG: Chemistry



MR. TRENDA: Physics, Consumers Science

SCIENCE CLASSES ATTRACT MANY STUDENTS

MR. LACINA: Biology

Biology seemed to be the most popular of the science courses. There were nine classes of General Biology, one Advanced Biology, while there were only five Chemistry classes and two of Physics and three of Consumer's Science.

The Biology section this year mainly used the Biological Science Curriculum Study (BSCS), "The Green Books" supplemented with the class discussion and laboratory work. The new property near Coon Creek was used extensively for field trips. The General Biology classes also planted pine tree seedlings.

Several of Mr. Krug's chemistry classes used the new chemistry text books. The laboratory was as exciting as ever with the enevitable broken equipment, such as test tubes, beakers and thistle tubes.

The physics classes had many interesting discussions with Mr. Trenda over the intracacies of a complicated equation. One thing physics had over chemistry was the convenience of cleaning up time.

Is it an inorganic or organic substance?

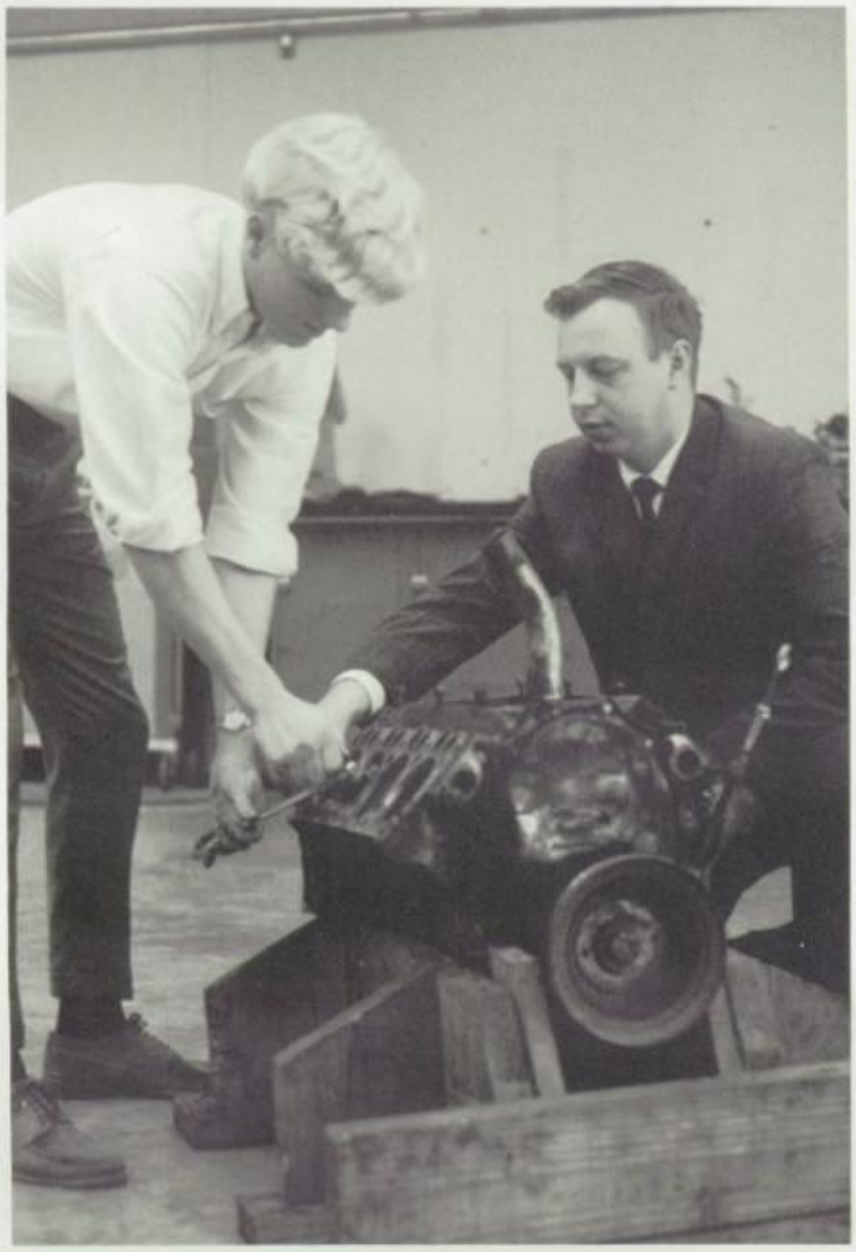
ELECTRONICS IS A NEW ELECTIVE



MR. ANDERSON: Power Mechanics I,II

Industrial Arts provides the student with the opportunity to study the different fields offered by industry. There are plenty of students taking advantage of the shops, mostly boys, but seven girls are in the drafting classes this year.

The fields covered are the wood, drafting, metal, electronics, and power mechanics. In the wood shop a complete bedroom set and several grandfather clocks were built. Complete house plans, drawings of any five-dollar device, and ortho-graphic projections were drawn in the drafting room. Pole lamps, log holders, and magazine racks were some of the projects in the metal shop. Machine shop students have built miniature lathes and drill presses while the power mechanics students tore down and built up several car engines. The electronics shop students soldered several receivers, a tape recorder, and some test equipment.

Examples of all this work was evidenced by the displays in the window near the wood shop.

TALKS ABOUT INDIA

In American history the details of America were studied. From the colonizing of the English and French to the war in Vietnam. The students did not study only facts; they went deeper and found out why the people acted the way they did and if the situation could have been changed without these people.

Things got exciting in World History. Instead of using the regular text books, the multi texts were used to study Africa, India and China. A young woman who had stayed in India for several years related some of her experiences to the eleventh graders. She told her solution to Indian's population explosion. Many films also were seen throughout the year.

In Social Problems there were arguments about the war in Vietnam and the racial problems; students tried to come up with solutions. How to make out income taxes was taught to the students and several problems arose right there. Some classes even watched "Where the Action Is" on T.V.

COLLEGE OF THE WEEK

classes

COON Rapids Senior High is proud of its students for all they have contributed to their school. They have excelled not only in sports and fine arts, but also in the academics.

SOPHOMORES LEAVE AFTER TOUGH FIRST DAY

Sophomore class officers: Jamie Wolfe, Vice-president; Cheri Henrikson, Secretary-treasurer; Lyle Noah, President.

The Sophomores were filled with mixed emotions after the first week of school. The English assignment was terrible, but then there was the first football game to look forward to.

"Should I go this way or that way?" was a well used sophomore comment the first few days of school. But after the first week they were just as accustomed to CRSH as the juniors and seniors.

Through the months the class of '69 added a great deal to our school. They contributed to school spirit and gave CRSH many actors and artists; athletes which were cheered along by the sophomore cheerleaders. During the fall the sophomores chose Judy Klobes and Julianne Heimer as attendants for the homecoming.

Amidst all the hard studying was the big world of extracurricular activities. By the end of the school year the sophomores were thoroughly tired but looking forward to better and busier days as juniors.

HONOR SOCIETY ROLL GAINS 23 JUNIORS

The junior class is now preparing themselves for the role of upper classmen next year. They have proven themselves to be outstanding in the fields of sports and drama. They will take the limelight as captains and co-captains such as Don Johnson and Gary Svendson in wrestling, Dan LeNeau and Art Newton in gymnastics, and Chuck Jerde and Bob Norenberg in football. Dick Cottrell, Sherry Bryant, and Steve Dick were three of the juniors who took part in the various school plays.

The junior class experienced the responsibility of planning a prom for the seniors. Juniors proved to be active and enthusiastic about the annual Scholarship Drive to raise money for the graduating class. The purchasing of the school rings also proved to be a new experience, but along with this experience came a feeling of pride — pride of ring, pride of school.

ENTHUSIASTIC CLASS OF '67 GETS SPRING FEVER AS LAST YEAR COMES TO A CLOSE

The class of 1967 was extremely active. Widespread involvement in sports led to beating Anoka in the annual Pumpkin Bowl. This past year was also the first time the varsity team played on their own football field. Climaxing the football season was the first real homecoming.

The school year, of course, held other aspects besides sports. English and Social Problems competed for their share of attention. Solving income tax problems, working on career books, and reading **Macbeth** highlighted these classes.

As spring approached, thoughts turned to graduation and plans for the future. Applications were made to various colleges in preparation for a chosen career. Then, finally, graduation was over. As the newly graduated seniors left the school with diplomas in their hands, they looked back knowing they would never forget the school, especially their senior year.

Juniors Debby Deetz and Peggy Nelson usher in the Class of 1967 to "Pomp and Circumstance." Juniors Steve Downs and Chuck Jerde also ushered.

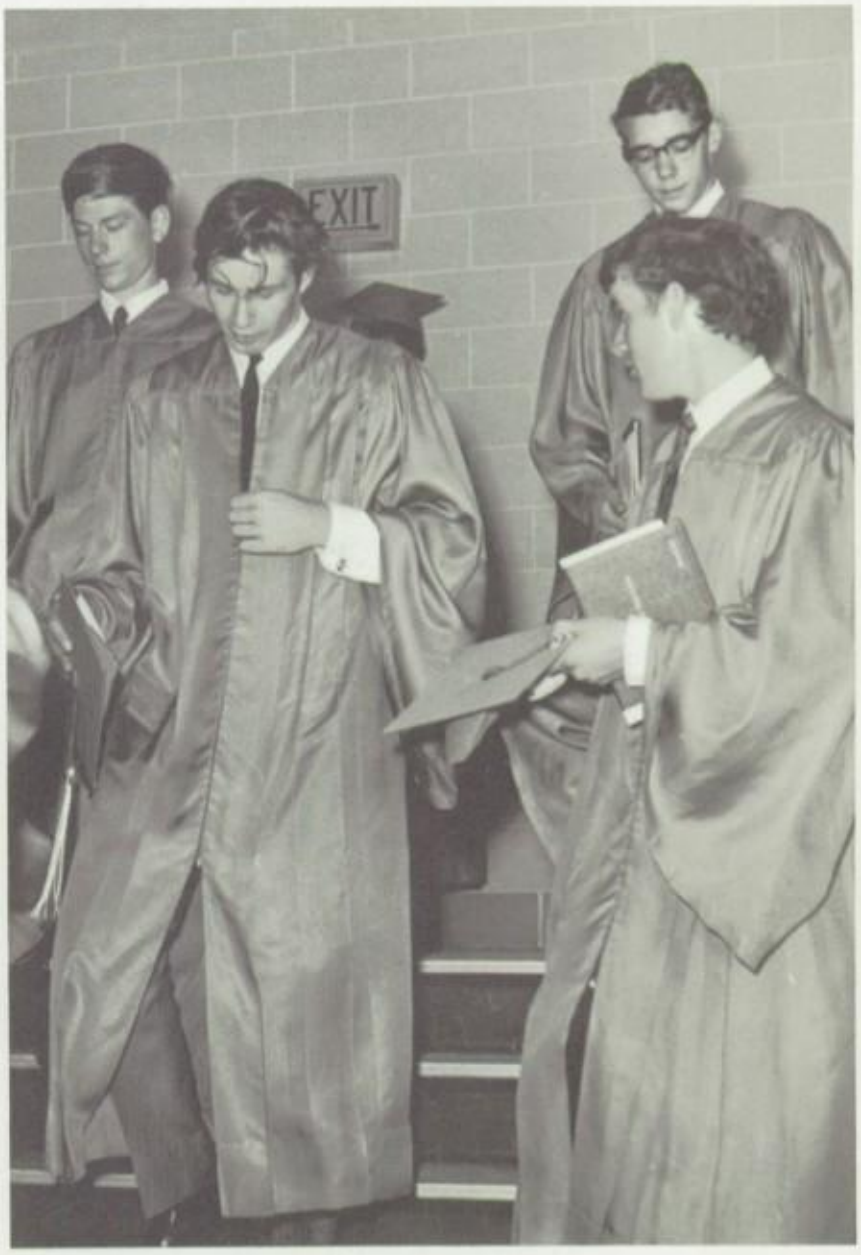
SECOND GRADUATING CLASS NUMBERS 421

Commencement June 8, 1967, solemnly and joyously graduated 421 seniors. Plans to hold the ceremonies on the athletic field were thwarted by early morning rains disappointing mainly friends and relatives of the graduating class; the gymnasium could not seat all who came.

Tassels this year were red and white instead of gold; most seniors bought theirs to keep as a remembrance. During the ceremonies after the diplomas had been presented, seniors moved their tassels from the left to the right side of their mortarboards symbolizing graduating as a class.

Reverend Kenneth Gjerde gave the Invocation and Benediction; Mr. Lappin presented the class while Mr. Leland Sorteberg, school board member, congratulated every senior and handed each a diploma. Superintendent Johnson presented the awards and scholarships. The band, directed by Mr. McCartney, played the traditional "Pomp and Circumstance" for the processional and finally Rosseau's "Recessional."

This graduation culminated years of work, joys, problems and successes of each senior. Each will go his own way, never forgetting the part Coon Rapids played in his life.



It's all done but the shouting.

CARDS END 5-3-1,

With only eleven returning lettermen, the Cardinal football team surprised many people with their successful season in the Suburban Conference.

Against Mounds View in the opening game, the Cards fell behind 14 to 0, but at the half had tied the score on a run by fullback Chuck Jerde and on a touchdown pass from Tim Labatt to Ralph Wirtz. However, after Jerde was injured in the fourth quarter the Cards went down to defeat.

The Cards won their next four games. Although getting off to a slow start against Kellogg, the Cardinal offense began to roll in the second half, as the defense continued its fine play. Highlights of the game were the return of a blocked punt by Ron Bartz for 6 points, and a blocked punt by Pat Dewing later in the same quarter. The following week, although the final score was 26 to 13, the Cards outplayed Columbia Heights 19 to 0 in the first half. Bruce Field ran for two touchdowns, and ends Daryl Ledin and Bob Norenberg caught touchdown passes from Labatt. Against Stillwater the Cards got a break early in the game, recovering a fumble on the Ponies 41. A pass from Labatt to Wirtz provided a quick touchdown, and Labatt later scored twice himself. Alexander Ramsey furnished the homecoming opposition as the Cards romped to their fourth win. The defense played a good game, with Rick Bennett and Brad McAlister returning fumbles for touchdowns.

The climax of the season was the Hastings game. With

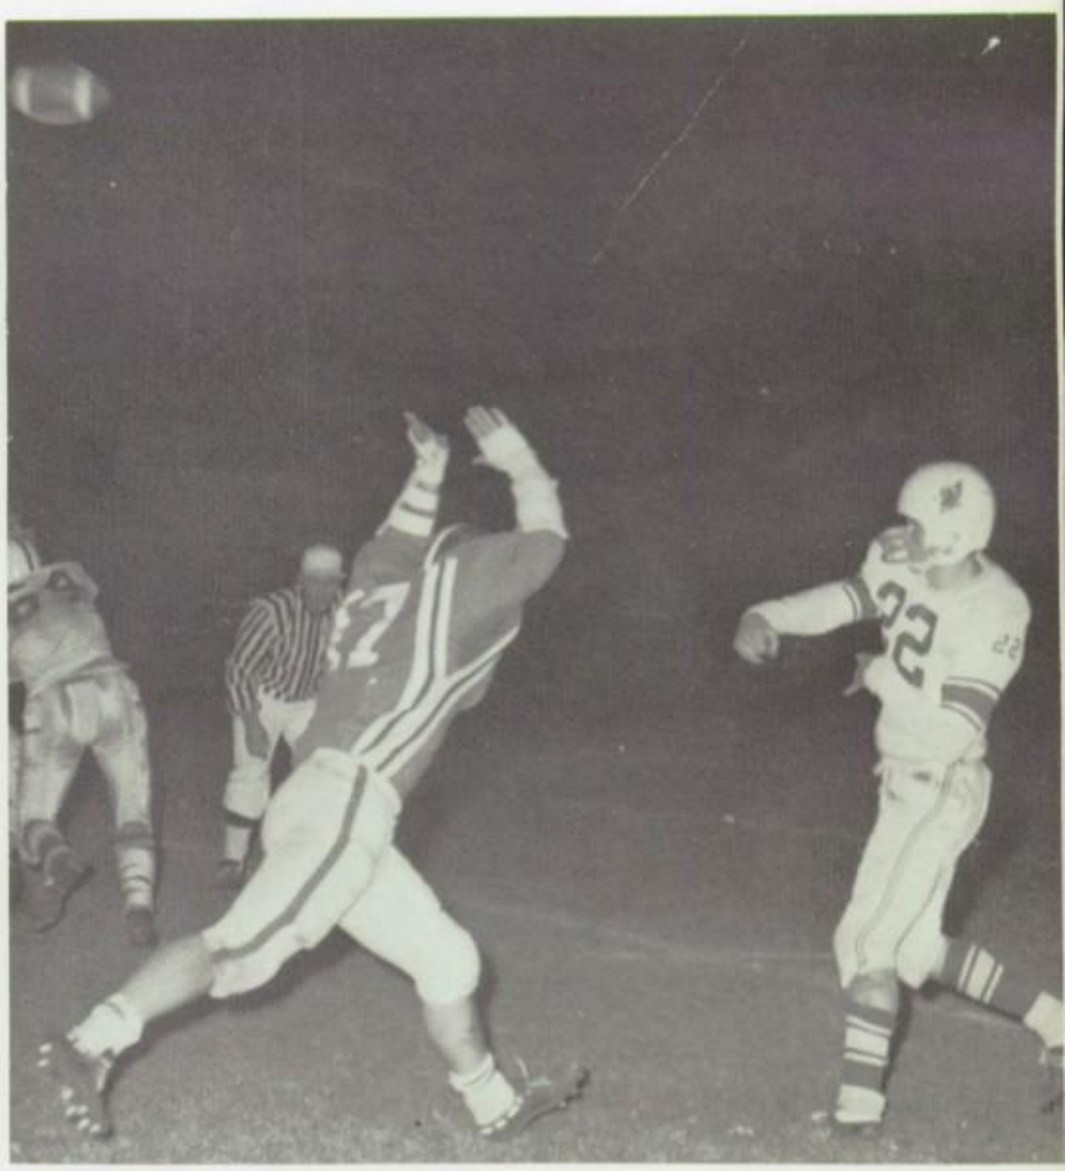
four minutes left the Cards had a 25 to 21 lead, but the roof caved in on them in the last four minutes. Clayton Axel scored twice — returning a kickoff 90 yards, and then running 21 yards from scrimmage.

The Cards just could not get going in the first half against Sibley, and only a strong comeback netted a 13 to 13 tie. Bruce Field and Ralph Wirtz ran for touchdowns, with Tim Labatt scoring the extra point which tied the score. Ending the conference season the next week, the Cardinals beat Anoka 19 to 7, winning the annual Pumpkin Bowl trophy. Labatt hit Rick True and Bruce Field for touchdown passes, and scored later on a run.

The final game of the season was a loss to Brainerd. After a poor first half when the Cards fell behind 25 to 0, two scoring passes to Wirtz and Ledin brought the score closer, but the team scored too little, too late.

Coach Arndt stated after the season ended that as far as desire and determination were concerned, this was the best Cardinal squad he had coached. Nine players received honors for their part in the fourth place finish. Tim Labatt and Ralph Wirtz received All-Conference honor, as did lineman Jim Albrecht. Also receiving honorable mention were Ric True, Bruce Field, Pat Dewing, Jim Bell, Ron Bartz, and Rick Bennett. At the annual banquet after the season, Chuck Jerde and Bob Norenberg were named captains of the next Cardinal team, thus ending a successful season for the football team.



Reserve quarterback Pat Anderson throws a 46 yard touchdown pass against Brainerd.

End Daryl Ledin breaks away from Ramsey tackler for twenty-five yards, setting up an important touchdown.

B SQUAD HAS PERFECT SEASON, JV 2-2

Although the Cards' Junior Varsity football team ended the season dismally, the B Squad finished a successful season with a record of 7 wins and no losses.

The B Squad offense was led by quarterback Jack Nelson and running backs Duane Mathis and Don Lang. Scoring was spread evenly between Mathis with 66 points, end Neil Emerson with 36 points, Lang with 30 points, and Nelson with 30 points.

The Cards rolled over Sibley in the opening game of the season but ran into rough opposition in the Anoka game. Holding a precarious 13-12 lead, Duane Mathis raced 70 yards to put the game on ice. The team won a real squeaker against Ramsey, then came from behind to defeat Mounds View 25 to 13.

The game against Columbia Heights was the big game of the season, with both teams undefeated at that point of the season. Mathis and Lang led the attack, with each scoring touchdowns. Jack Nelson scored the other two touchdowns as the Cards continued to be undefeated.

Against White Bear Lake, Mathis scored two touchdowns, leading the Cards to a hard fought victory over the Bears. The Kellogg game was a high scoring game which the Cards eventually won to finish with a perfect record. Quarterback Nelson hit Neil Emerson with four touchdown passes of 15,30,64, and 23 yards, as the Cards provided their best offensive attack of the year. Nelson also hit halfback Jim Olson for a 72 yard touchdown pass, to cap the scoring in the game.

Both Junior Varsity losses were decided by missed points after touchdowns. Cliff Branum and Clay Axel scored touchdowns as the Cards went down to defeat against Anoka. The team won the next two games in hard fought battles with Ramsey and White Bear, and a win against Mounds View could have given the team a winning record. In a hard fought battle the Cards lost 7 to 6, as the extra point attempt was missed. Thus the season ended on a dismal note.

The Cardinal B Squad and Junior Varsity teams gained valuable experience this year as they finished successful seasons. Their success this year will be of great help to them in the 1967 season.

CHEERLEADERS FOR FOOTBALL AND CROSS COUNTRY LEAD TEAMS

Intense heat, rain, and annoying snow were some of the ordeals which our football and cross-country cheerleaders faced while urging our Cardinals on to victory.

Almost any night after school, one could hear the cheerleaders yelling their lungs out in the halls when they held their practices. Or they could be seen lining the floors of the halls industriously making huge posters which brightened our pep fests, games, and meets. Or they might even have been seen cutting up strips of paper for pom-pons, which they made themselves.

The pep fests undoubtedly did much to enhance the success of our teams and enrich our school spirit. The Cardinals were glorified in another way when, at the conclusion of the season, the cheerleaders presented a sports banquet.

The Cross Country team did not have the number of boys competing as in other sports, but they performed just as well. Cross Country does not require a special skill or talent in order to compete, but requires a great deal of stamina as well as tremendous endurance to run the 2.2 mile course. Many boys spend long hours running during the summer to prepare for the fall season.

This year the squad was led by Captain Jim Fuller. Fuller was high scorer for the Cardinals and holds the school record of 10.31 for the course. Jeff Persons was the only other senior to letter this year. Other lettermen were juniors Rod Doolittle, Rich Coulombe, and Mike Offerdahl, and sophomores Craig Adams and Bill Murrell.

The highlight of the season was the victory over Fridley and Spring Lake Park in a triangular meet at Greenhaven. It was the only meet in which the Cardinal team took first place. Coach Strand stated, "Although our record was not the most impressive this year, the performance of our sophomores and juniors was very encouraging for the future."

CAGERS UPSET TOP TEAMS BUT END 8-10

The Cardinal basketball season provided many thrills and exciting moments for the fans, but the team ended the season with a mediocre record of 8 wins and 10 losses overall.

The Cards played well many times throughout the year, but they could never build up the momentum necessary to start a long winning streak. The season record shows the hot and cold streaks of the team during the past season. After winning the opening 3 games, the team lost 2 in a row, came back to win 2 straight, and then went down to defeat 3 times in succession. After two more victories, the team lost 3 consecutively, and after winning a "squeaker" over White Bear Lake, lost the last 2 games of the season. The result was a season conference record of 6 wins and 8 losses and an overall record of 8-10.

After smashing victories over Brooklyn Center and Columbia Heights, the Cardinals took on arch-rival Anoka, and lost 52-50 in a disappointing game. Co-captain Ralph Wirtz poured in 17 points, but it was not enough. The Cards' offense then stalled until the Ramsey game, which resulted in a big victory for the Cards.

Late in the season, the team took the role of spoiler, beating second and third place teams North St. Paul and White Bear Lake, and losing in three overtime periods to first place Mounds View. The score of the North St. Paul game was close until the third period, when the Cards began to pull away to their thirteen point win. Rod Cardinal scored 20 points and was the high scorer. The White Bear Lake game began disastrously as the cold Cards fell behind 7-0, but the team came from behind to win. Two baskets by Co-captain Reid Pederson in the last minute won the game for the team. The Mounds View game featured the breaking of the school scoring record of 29 points by sophomore Jack Nelson, who scored 37 points as the team went down to defeat. Behind by 11 points as the fourth quarter began, the team rallied to tie the score 58-58. As the final overtime period began, the score was tied 70-70, but Mounds View outscored the Cards 4-2 in the final period to win a rough battle.

The season ended with a tough loss to District 16 champion Spring Lake Park in the first round of the tournament. However, Cardinal fans took some consolation in the fact that Spring Lake Park, led by Roger Sabby, was the runnerup team in the Region 4 Tournament.

Ralph Wirtz not only led all scorers with 251 points, but led in rebounds with 278. Reid Pederson was the runnerup in scoring, with Rod Cardinal the second best rebounder. Jack Nelson provided some bright hope for the future by finishing as the third highest scorer.

Although the season record was not as good as expected, several Cardinals received honors. Center Ralph Wirtz received All-Conference award at his position. Also, Rod Cardinal received Honorable Mention. In addition, Jack Nelson was named to the WCCO All State Team of the Week after scoring 37 points against Mounds View. At the banquet after the season ended, Jack Nelson and junior Pat Anderson were named captains for next year.

JV ENDS 6-2 AFTER SLOW START

The Junior Varsity squad, coached by Dave Hahn, ended its first season with a successful 6-2 record. After a poor start of 2 straight losses, the team caught fire and streaked through the rest of the season without a loss.

Poor play in the second half of the Hastings game resulted in a disappointing final score in the opener. After another loss, though, the squad won 3 games in a row on their home court. Kellogg was squashed 70-42 with Jerry Ylinen and Mike Bennett leading Cardinal scoring with 10 points each. The following game resulted in a 61-46 rout over Alexander Ramsey. Randy Chaffee poured in 12 points to lead Cardinal scorers. The following game with White Bear Lake proved to be quite a squeaker, but the Cards triumphed 54-51. Chaffee and Chuck Jerde led the scorers with 11 points each.

After two more victories, the season ended with one of the closest duels of the year. After trailing Ramsey 13-7 at the end of the first quarter, the Cards fell farther behind at 28-19 as the half ended. However, juniors Bob Norenberg and Jim Carlson led the Cards back into the game in the third quarter, making the score 36-35 Coon Rapids. Then, down 2 points with only a minute to play, Jeff Persons tied the score and Jim Carlson scored his twentieth point to pull the game out.

"B" SQUAD FINISHES 8-10 OVERALL

Although the B Squad basketball team finished the season with a below average 8-10 record overall, the team played well at various times throughout the season. Several players provided thrills and hope for the future as Cardinal basketball players.

The team won several games by big scores, lost several games by big scores, and played many close games. One of the biggest victories was the 42-25 drubbing of Brooklyn Center. Lyle Noah scored 15 points, and Neil Emerson chipped in 9. A balanced team effort provided a 46-28 victory over White Bear Lake, and later in the season a good effort produced a 39-29 victory over arch-rival Anoka.

Five of the team's 10 losses were by less than 6 points. In these games the team usually played well until the second half, when poor shooting usually hurt the team. For example, the team led Hastings 17-10 at the half, but finally lost 30-29. On the otherhand, the Cards won several games by close scores, such as the 31-25 victory over Anoka in which Kevin Jerde scored 8 points and controlled rebounding.

With the exception of the drubbings by Columbia Heights and North and South St. Paul, the team played good ball during the year.

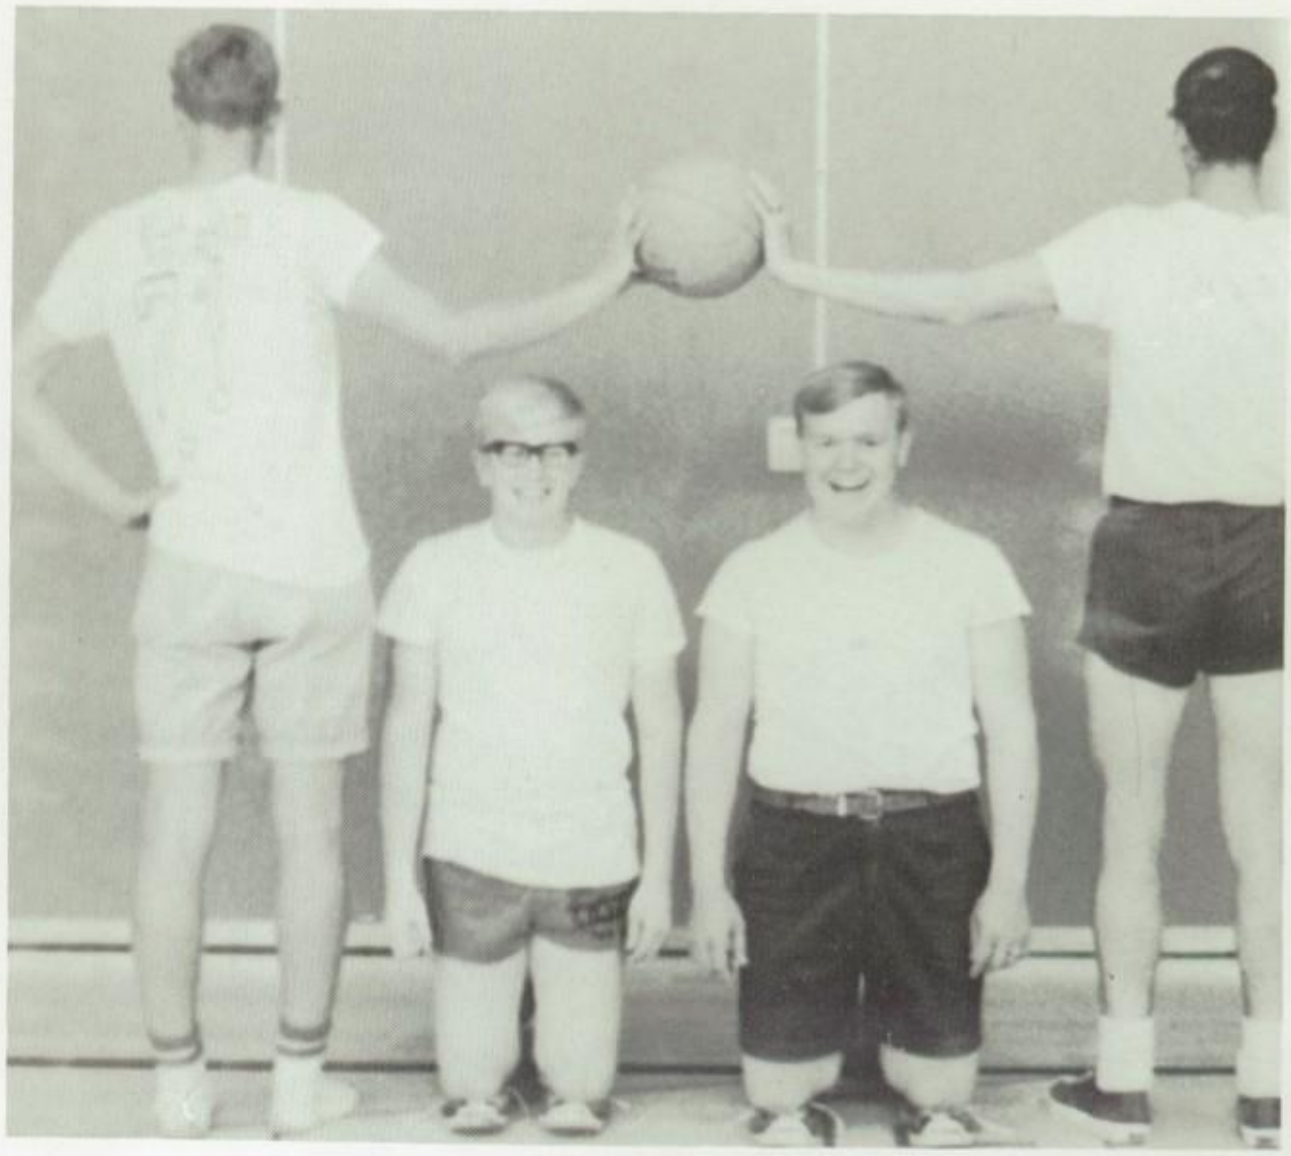
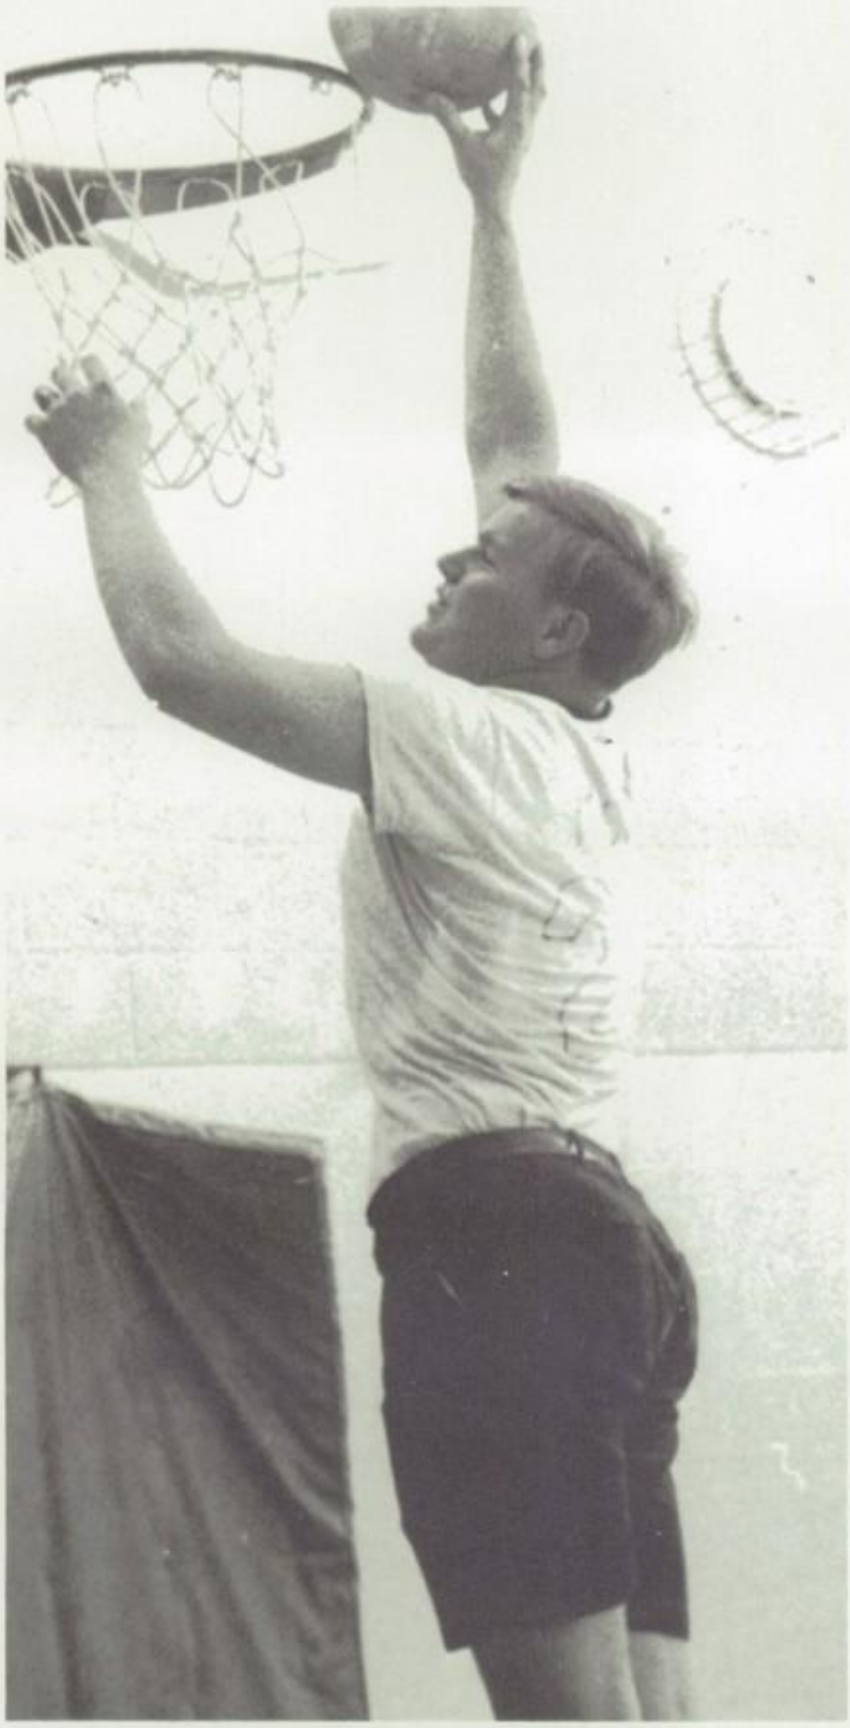
Colorful uniforms were a part of the intramural program. Although it does not show too well in these pictures, Rocky and his friends were resplendent in their uniforms. Wearing plain shorts or cutoffs, the team completed their uniforms by wearing T-shirts marked with magic markers. And every player played under the name of one of the characters from the Rocky show. Ric True, no. 71, is Natasha, while Steve Fries is Bullwinkle. Dennis Lasser plays as Boris, while leader Ron Maki plays under the alias of Rocky. Other members of the team, including Captain Peachfuzz and Mr. Know-It-All were unavailable for the pictures.



All the teams enjoyed their play, and this attitude has helped to make intramurals the growing program that it has become throughout the country. In these pictures, Rocky and his friends show off for our candid camera, proving that even though they play the game to win, they also play it for the fun which comes from being a member of an athletic organization (???). At any rate, Rocky and his friends were only one of a number of teams which mixed good, clean fun with hard, aggressive basketball every week throughout the winter.

INTRAMURAL BASKETBALL ESTABLISHES ITSELF AT COON RAPIDS IN 2ND YEAR



Ron Maki drives in for a layup during a practice session. Maki led Rocky and His Friends to a third place finish. Perhaps he needed more practice.

The second season of Coon Rapids' intramural basketball program ended successfully once again, as more than 110 boys participated in the activities. Mr. Board, head of the program, believed that the program was a valuable experience for the average high school boy who perhaps did not feel himself qualified enough to play in regular varsity sports but wanted to play on some team. Mr. Board also thought that the program could be even more successful if the games were played before school in the morning rather than during evenings so that there would be fewer scheduling problems.

The program basically set up two leagues. The AA league was composed of junior and senior teams, while A teams were mainly sophomores. In this way the competition became more equal, and every team had a chance to win. All boy students at Coon Rapids were encouraged to join the program, and the total that did join was enough to form two leagues. The Mystic Knights swept to the AA title, while Class A winners were the Cinnamen Stick. All the teams, though, have helped to build a solid base for the intermural basketball program.

CHEERLEADERS MINGLE OLD WITH NEW—

Cheerleading involves many tasks which take up much time. This year proved to be no exception. Endless hours were spent practicing many different cheers, and of course there were always signs to paint. Almost every night after school it seemed that the cheerleaders sat on the floor in front of the home ec rooms, painting huge signs to adorn the walls of the gym.

However, this year a new feature was added by the presence of three boy cheerleaders — Jesse Anderson, Dan Caron and Larry Florke. As A Squad cheerleaders, the boys worked out several cheers with the girls and several cheers on their own. Although many people laughed at the idea of boy cheerleaders originally, these boys did so much hard work that they were respected very much by many people. Thus, the cheerleaders this year combined old practices with new ideas to finish an excellent year.

The expressions on the cheerleaders' faces tell that the score is close.

SWIMMING TEAM ENDS SEASON WINLESS

Despite the season record of no wins and nine losses which the Cardinal swimming team established this year, Coach Abel stated that he was pleased with the progress made by the team, especially singling out co-captain Jim Fuller and diver Ken Hafner.

The team practiced at the Anoka State Hospital swimming pool four week days after school and on Saturday mornings every week. Then, regular meets were held at St. Thomas or Hamline during the season. Coach Abel said that it was very hard to break into a swimming conference without adequate swimming facilities right at the school, and pointed out that this may have accounted in part for the final season record.

The meets with Mounds View and Anoka produced the most satisfying results in individual competitions, even though the team lost both meets. Against Mounds View, co-captain Jim Fuller took second in the 50 yard free style event, with Ken Hafner and Terry Klaaren taking firsts in diving and the backstroke respectively. Later in the season, against Anoka, Fuller took first in the 200 and 100 yard free style events, with Tom Snell capturing first in the butterfly and Klaaren first in the backstroke.

Ken Hafner was the only Card to advance to the district tournament finals, where he placed sixth in the diving competition out of forty divers. Mr. Abel has high hopes for the future for Hafner, and counts on continued improvement from him in the following season.

Thus, although the team record was unsuccessful as a whole, several individuals provided the team with hope for the future. Coach Abel looks for even more improvement in the year to come.

HOW IS A SWIMMING MEET RUN?

Since this is the first year the swimming team has competed, many people do not know what makes up a swimming meet. Swimming meets are divided into 11 separate events, and include the following:

200 yard medley relay, where four swimmers each swim fifty yards in one style. Each swimmer uses a different style — either the backstroke, breaststroke, butterfly, or free style.

200 yard free style, where one swimmer swims 200 yards with whatever style he wishes.

50 yard free style.

200 yard individual medley, where one man swims all four styles.

Diving, where the diver does one required dive and five of his own choosing.

100 yard butterfly.

100 yard free style.

100 yard backstroke.

400 yard free style.

100 yard breaststroke.

400 yard free relay, where each of four swimmers swims 100 yards.

CHEERLEADERS MISS FANS AT EVENTS

In an interview with the swimming cheerleaders, it was apparent that Karen Sievert, Cindy Sabourin, and Cheryl McPherson had an enjoyable time as cheerleaders during the past year. Even though the team did not meet with success, these cheerleaders led the team in singing and cheering to and from meets on the bus.

However, all the cheerleaders said emphatically that the lack of support for the team bothered the cheerleaders also. As Cindy said, "You can't imagine what it is like to cheer and get no response." Regardless of this, though, Cindy and Karen, sophomores this year, look forward to cheering for the team next year.

WRESTLERS WIN SECOND STRAIGHT CROWN

The Coon Rapids Cardinal wrestling team enjoyed success once again this year, finishing first in the Suburban Conference, and adding second place trophies from both the district and region tournaments.

As the season started, Coach Bob Board thought that the team would probably be the third or fourth best team in the conference, ranking Columbia Heights, North St. Paul, and Mounds View as the teams to beat. With a streak of 17 consecutive dual meet victories on the line, the Cards started the season with a smashing 37-5 victory over Hastings. The Cards went on to win 8 more meets in a row before finally losing to Mounds View, 24-18. Nevertheless, the Cards went on to win the Suburban Conference title for the second year in a row, with a final season record of 10 wins and one loss. The success of the team prompted Coach Board to term this season as his "most gratifying as a coach."

The high scores recorded by the Cardinal team were a tribute to the balance and consistency of many of the wrestlers. For example, next year's co-captains Gary Svendson and Don Johnson finished the season with records of 13-0 and 11-2 respectively, while this year's tri-captains, Bill Parenteau, Mike Delaney, and Tim Stenson finished 12-1, 10-2, and 11-1 respectively. With the addition of the 7-1 record of Ed Board and the 8-4 finish of sophomore Les Jernberg, the overall balance of the team was clearly shown.

After the season ended, five Cardinals received All Conference Honor. Gary Svendson, Don Johnson, Mike Delaney, Tim Stenson, and Bill Parenteau were all honored, and Ed Board received Honorable Mention. In addition, the team was honored by being ranked 12th in the state among all dual meet teams. As the district tournament started, the Cardinals held high hopes.

However, Fridley was just too strong, and the Cards ended the runnerup to the Skyline Conference champs. Later, Coach Board stated, "You never like to finish second, but I felt proud of the kids because Fridley had such a good team." Tim Stenson was the only Cardinal district champ, but others who qualified for the region tournament were Gary Svendson, Mike Delaney, Les Jernberg, Bill Parenteau, Steve Smith, Ed Board, Don Johnson, and Bob Labatt. However, in the region tournament, while the Cards still finished second to Fridley, the number of wrestlers advancing to the state tournament was cut to five. Don Johnson won a regional championship, and other Cardinals to advance were Mike Delaney, Les Jernberg, Gary Svendson, and Bill Parenteau. The season ended dismally, however, when the Cards finished poorly at the state tournament. However, Don Johnson provided a big thrill by finishing third in the state in his weight class.

Led by co-captains Don Johnson and Gary Svendson, the 1967-68 Cardinals should continue to place high in the Suburban Conference, and with help from this year's B Squad, the future looks quite good indeed.

Cardinal Bob Labatt concentrated on the vulnerable position in which he has his opponent.

B SQUAD ENDS 8-5

Although the success of the B Squad did not quite measure up to that of the varsity, the team still ended the season with a record of 7-4 in the Suburban Conference, and 8-5 overall.

The team won several meets by really big scores during the season. After starting the season with a 28-20 victory over Hastings, the team lost to Columbia Heights in a squeaker. However, the wrestlers came back to win three meets in a row by big scores over Anoka, White Bear Lake, and Rochester Mayo. After losing another close one to Alexander Ramsey, the team romped over Kellogg 42-5, and in the following meet continued to a smashing 31-5 victory over Stillwater. However, the team was then swamped by North St. Paul and Mounds View during successive weeks. With wins over Sibley and South St. Paul during the last three weeks of the season, the team ended with an 8-5 record.

Several wrestlers enjoyed good seasons, and this was especially true of Randy Erickson, who finished with a perfect record of 10 wins and no losses. In addition, Rick Bennett ended with 7 wins and 1 tie, while Tom Miller finished 4-0. With Ed Reno and Bob Block finishing 6-2, the team displayed fairly good balance overall.

The performances of several B Squad wrestlers this year point to a favorable 1967-68 varsity season.

The referee raises Don Johnson's hand, signifying another victory. Johnson will be a co-captain next year.

SEEK FAN SUPPORT

Wrestling and gymnastics are similar in several ways. Not only are they tests of the individual athlete rather than the team, but also, at Coon Rapids, fan support is generally poor for both sports.

For example, while there was generally average attendance at home wrestling meets, there was hardly any support at all when the team was on the road. As Cheryl McPherson stated, "Look how good the team was, but nobody supported the team all year." The year was capped with a trip to St. Cloud for the state tournament, and the cheerleaders found themselves cheering to no one because support had been so poor throughout the year.

On the other hand, support for the gymnastics team, with the exception of the Anoka meet, was poor both home and away. Considering the extremely successful record of the team, this lack of interest was even more difficult to believe. Thus, both the wrestling and the gymnastics cheerleaders would urge students to support their teams next year.

CARDINAL GYMNASTS FINISH 8-2 FOR 3RD PLACE IN CONFERENCE

The gymnastics team started its season with eight returning lettermen from the previous year. Led by co-captains Jim Albrecht and Larry Golyer as well as conference star Glen Vasecka, the team hoped to have the finest season in their short history.

Gymnastics is an individual sport involving not so much teamwork as one's own individual skills. A Class gymnasts must work out their own routines. Many hours are given to the practice of what appears to be easy tricks to the spectator. A gymnast pays special attention to the number of tricks, the type of tricks and difficulty, and form.

Glen Vasecka was one of the few gymnasts in the conference to work six pieces of apparatus. Vasecka participated in free exercise, trampoline, horizontal bar, parallel bars, rings, and tumbling, to lead the team as high scorer in each meet. Vasecka tallied well over two hundred points during the season to give him the Suburban Conference all around title. Because of an injury, Glen did not do as well as expected in the regional and state tournaments, but still received the most valuable player award on our team.

The team finished its season with a 8-2 all around record and three wins and two losses in the conference to end in third place. The Cardinals also placed fourth in the regional tournament. By far the best performance by the team was in their win over Anoka. Before a capacity crowd in the Tornado gym, the Cards came from behind to defeat her sister school, 59-46.

The Cardinals also made a good showing in the Mankato Invitational. Glen Vasecka and Jerry Albrecht advanced into the finals with their performances in free exercise, horizontal bars, and trampoline.

In March, Randy Hoffa and Glen Vasecka advanced to the state as the result of the region four tournament. Glen placed third on the trampoline and fourth on the horizontal bars, while Randy placed second on the side horse.

Captains for the 1967-68 season will be Art Newton and Dan LeNeau.

PUCKSTERS END DISMAL SEASON 5-16

The Coon Rapids Cardinal hockey team ended a dismal season with eight losses in a row, resulting in a Suburban Conference record of no wins and 13 losses, and an overall record of 5-16.

Although the Cards ended without a win in the Suburban Conference, the team did have a good record of 5 wins and 2 losses against nonconference opponents from the neighboring Skyline Conference. However, three factors were cited by Coach Hansen for the showing of the team. First, six of the ten teams in the conference were listed at one time in the top twenty teams in the state. Another important factor in the losing season was the inexperience of the team in working together. While the players on many Conference teams have played together through grade school and junior high school, the Cardinal hockey team essentially has only begun to play together during the last several years. Finally, the team was hurt by the loss of several key players during the year, which resulted in a lack of depth for the team.

Although the final record was poor, the Cards did play some close, exciting games this season. For example, the team led in the Sibley game until the final period when Sibley poured in four goals to win the game. Also, in the second game against Anoka, the team played very well until tiring in the final period again. However, the Cards' finest effort occurred in the second Mounds View game, which was lost 2-0. Vern Skramstead made 28 saves, and one of the goals was a fluke which was knocked in accidentally by Cardinal Duane Garfield. After the game, co-captain Pat Dewing termed it the best game of the season for the Cardinal team.

Although no Cardinals received All Conference mention, Dennis Tesch gained the distinction of being the leading scorer on the team with 22 points. Trailing closely behind him was co-captain Steve Johnson, with a total of 21 points. However, no one else approached these totals. The two goalies were busy all season — Vern Skramstead logged 346 saves, and sophomore Steve Schmitt had 119 total.

Coach Hansen looks forward to an improved team next year. With only four players graduating, next year's team will have had the experience of playing together regularly this year. With help from several of this year's B Squad players, the team should show some improvement next year.

Co-captain Steve Johnson lines up a shot at the net.

B SQUAD HOCKEY TEAM MAKES PROGRESS WITH FOUR WINS, EIGHT LOSSES, ONE TIE

Although the B Squad hockey team ended the season with four wins, eight losses, and one tie, Coach Kimball said that he was satisfied with the progress made during the season, and that all the games were close, well-played games except the Ramsey game.

Taking after the varsity team, the B Squad enjoyed great success against nonconference opponents. With a 3-1 record, the team beat Fridley once and Elk River twice, while losing by one goal to Cooper. The Cards outscored their opponents in these games by 19 goals to 7.

Although the Conference record of the Cards was only one win, seven losses, and one tie, all the games were close with the exception of the drubbing Alexander Ramsey handed the Cards, 15-0. The two most exciting games of the season, against Columbia Heights and White Bear Lake, extended into over-time periods, and resulted in the Cards' tie and victory. The game with the Hylanders went two seven minute overtime periods before ending in a 3-3 tie. However, against White Bear Lake the Cards won in five minute sudden death overtime for the lone victory of the conference season.

With the omission of the Ramsey game, the Cards were outscored only 3 to 1 during the conference season — 36 goals to 12. However, in the Ramsey game, the Cards played, as the coach stated, their worst game of the season. In the first period 4 goals were scored, followed by 5 in the second and 6 in the third. As a result, the scoring record changed to 12 goals against 51. For the whole season, though, the team was outscored 58 to 31.

The leading scorer was Butch Brandenburg, with 8 points. Closely following him was Tom Shack, with 7 points. With Dave Saxton and Joe Udvig scoring four goals each, and Mike Johnson and Mike Stevens adding three apiece, Cardinal scoring was fairly well balanced.

Coach Kimball stated that Bruce Hedtke, Bruce Horbal, and John Howard were the most improved players from the beginning to the end of the season. The coach also stated that if the team can continue to improve as it did this year, the varsity squad will be able to count on improved seasons in the future.

CHEERLEADERS END TOUGH SEASON

In an interview after the season ended, the hockey cheerleaders related side lights which made hockey cheerleading a memorable experience for them.

For example, whenever they met cheerleaders from other schools, the first question they were always asked was, "Why do you all wear different uniforms?" The hockey cheerleaders look forward to all new uniforms next year, but this year they wore the leftover uniforms. To compound this situation, sophomore Sandi Brown found that by the end of the season her shoelaces had 12 knots in them, since they were always breaking. And, since the cheerleaders actually cheered on the ice, they naturally had to practice skating. Their skating rink was a small block of ice which did not allow them much room to maneuver. To top everything else off, with few fans present the cheerleaders found themselves in an embarrassing position. As junior Judy Johnson said, "It's embarrassing to cheer to the ice because there are no fans." Despite all these obstacles, though, the cheerleaders enjoyed themselves and look forward to cheering for the team next year.

The cheerleaders all urge students to come to the games next year. As they all agreed, "If the kids would get the ambition to come to one game they would continue to come, and maybe this would help the team."

TRACK TEAM WINS REGION FOUR TITLE

Coon Rapids' most successful track team ever swept through the 1967 season led by stars Ralph Wirtz, Gary Sabourin, and many others who all contributed to the great record which the team made.

The team met with some success in the early season, as shown by the score box on the following page. However, it was not until district, region, and state tournament time rolled around that the team began to function well as one unit. Before this time, the team had depended completely on big Ralph Wirtz. A team effort, though, was what made the Cards as successful as they were in the past season.

It took a team effort to win the district tournament. Wirtz qualified for the regional tournament by taking firsts in the low and high hurdles, the long jump, and the broad jump. Sabourin added a first in the shot put. In addition, Andy Fisk chipped in with seconds in the 440 and the long jump, plus a third in the 220. Finally, Skip O'Dette contributed a third in the 100 yard dash, with Jim Fuller and Tim Labatt adding thirds in the 880 and the pole vault respectively. With the second place finish of the 880 relay team of O'Dette, Hodges, Brown, and Noah included, the Cards won the district competition fairly easily and looked forward to a tough regional tournament.

The result of the region tournament was a "storybook" finish, as the White Bear Lake 880 relay team was disqualified for an illegal pass by a runner. The Cards, paced by Wirtz and Sabourin once again, eked out a 35-34 lead over White Bear, as Wirtz finally put the team ahead with a record setting 23 foot long jump. He also took firsts in both hurdle events, and helped the 880 relay team to a record time as Coach Strand made a switch of members in that group. As the state tournament began, the Cards were rated by many as one of the toughest teams in the state.

The team did well on the first day of the tournament, with everyone qualifying for the second day events. However, the whole team seemed to be affected by the drenching rain which slowed the whole tournament. The result was a poor finish by the Cards. Even Wirtz had to settle for third in the low hurdles, and he didn't even place in the high hurdles. The relay team settled for third. It was an all-around bad day for the team. However, the track squad as a whole enjoyed its finest year ever, and although the season did not end as well as expected, the results were very satisfying for the team and its fans.

CHEERERS ASK FAN SUPPORT AGAIN

A worried Kathy Nelson cheers Skip O'Dette to another first place.

The track team has had more success this year than perhaps any other team except the wrestling squad. However, once again the example of successful team with little support could be found at Coon Rapids.

This year's cheerleaders believe that the season provided many thrills for them, but they agree that fan support could be better. Linda Poach, Lynda Hastings, Kathy Nelson, Sandi Brown, and Kathy Nelson all enjoyed cheering the team on, and as Linda Poach said, "The thrill of being able to represent the school is the neatest thing."

Lack of support, though, rankles the cheerleaders — especially Linda. Linda said, "The team needs more support. It makes me so mad because they work so hard to give our school a good name." The general opinion of the group was that although the team had a good year, it could have been even better with more support.

On the whole, though, the year was a successful one both for the track team and for the cheerleaders. The cheerleaders felt cheerleading was "absolutely fabulous."

GOLFERS GAIN NEEDED EXPERIENCE

The Cardinal golf team weathered a rough season in 1967. The final season conference record was one win and nine losses, while the team also won a nonconference match with Elk River. However, several players did show vast improvement during the season and should provide the experience which the team needs for next year.

The only conference win of the season was a victory over Stillwater. Mike LaFleur shot 57 for 12 holes, taking top honors for the Cards. His score represented the improvement he showed throughout the year, lowering his score from the middle 60's to the middle 50's. Dave Saxton and Randy Erickson also improved as the season progressed. Saxton posted his low score of 52 in the Anoka meet to pick up 3 of the team's points and Erickson lowered his score to 58 in the same meet. Ron Rauschke chipped in a 58 against North St. Paul for his best score of the season.

The district tournament ended with the Cards being fourth. Although Erickson and Saxton qualified for the regional tournament, they did not advance to state.

TENNIS TEAM ENDS IN 2ND PLACE

The tennis team led by co-captains Reid Pederson and Ric True ended with another winning season as it completed the year tied with Mounds View for second place in the Suburban Conference. The final season record of 8 wins and 2 losses in the conference left the Cards behind conference leaders North. St. Paul.

The team had few problems with most of the Suburban Conference opposition, and thus the most important matches were those with North St. Paul and Mounds View. Unfortunately, the Cards lost both of these matches, forcing them into a second place tie. Against North St. Paul, Ric True was the only Cardinal winner, as the other Cardinals played well but lost to tough opponents. True himself played an extremely tough opponent, but was able to outlast him for the victory.

The team finished second to Anoka at the district tournament, with Reid Pederson taking first place and Ric True fourth as singles players. and the team of Greg Junker and Jim Carlson ending as the second best doubles team. Reid placed third at region, but lost out in the second round of the state tournament. However, Reid lost to Bob Dougherty, eventually state singles champ. Reid gave Dougherty a tough battle but finally lost. Reid's first round victory provided the Cards' 2 points.

Most valuable player Reid Pederson returns an opponent's serve.

The B Squad tennis team coached by Mr. Oftedahl amassed a total of 6 wins as it followed in the varsity team's winning ways. In fact, the team not only beat many of the same schools that the varsity squad did, but they also lost to the two teams which beat the Cards' varsity team — Mounds View and North St. Paul.

The record of 6 wins and 3 losses was a tribute to the whole team, as almost everyone on the squad made an important contribution to the team's record. In addition, since 5 of the victories were against Suburban Conference opponents, the future of the Cardinal varsity teams of 1968 and 1969 look very bright.

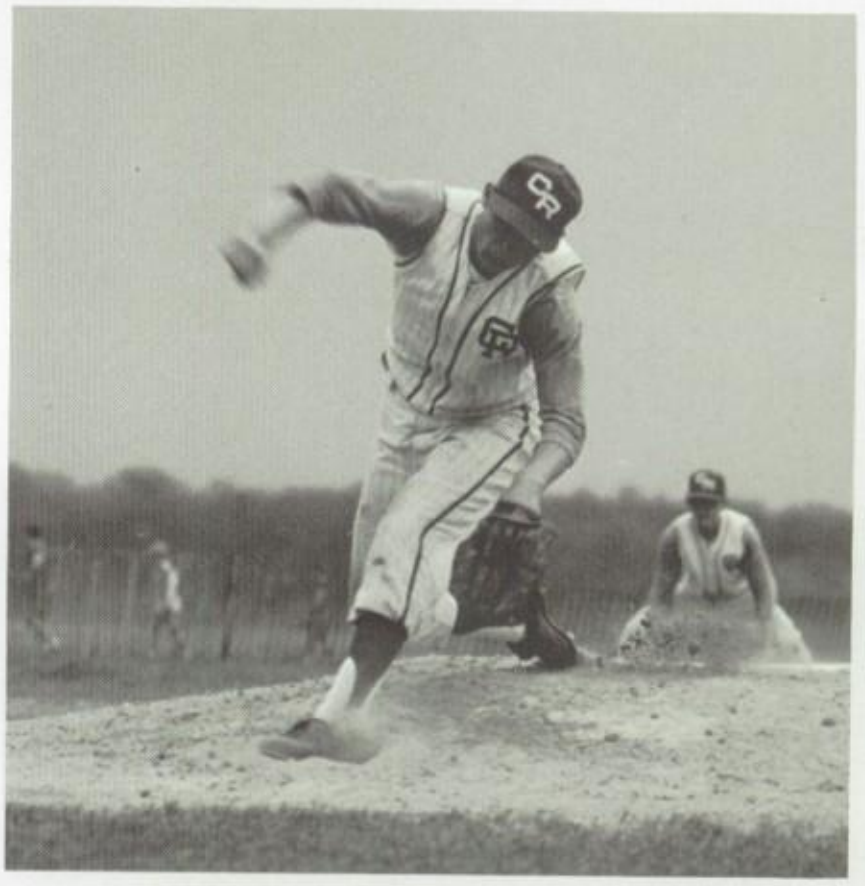
YOUNG VARSITY BASEBALL TEAM PLAYS WELL, ENDS 4-12 OVERALL

The varsity baseball team with a lineup consisting mainly of juniors played very well this past season but had to settle for last place in the conference; the final conference record was 1-10, while the team was 4-12 overall. However, the performance of the 14 players returning for next season points to a better record in 1968.

The season started with a tough 3-0 loss to Hastings' ace pitcher, Dan Carey. The Cards could manage only one hit against Carey, who led Hastings to the conference title. The team continued to lose close games throughout the year, the only really bad beating being the 7-1 drubbing by Alexander Ramsey.

Captain Dave Moore pitched the Cards' first victory, a 6-0 shutout of Mechanic Arts. Jack Nelson and Dave Easthouse hit homeruns to win the game. Duane Garfield beat Osseo 11-3 as Dave Peterson led the hitters with 2 hits and 3 runs batted in. The 7-3 win over Fridley featured the pitching of Rich Coulombe and the batting of Bruce Field (who had 3 hits including a homer and 3 runs batted in). The final victory of the season over Columbia Heights moved the Cards into a last place tie with Heights. A balanced attack led by Easthouse and Nelson provided the support sophomore Neil Emerson needed to win the Cards' only conference victory of the season.



Rich Coulombe flings a pitch toward the batter. Coulombe was the leading pitcher with a 1.88 earned run average and 40 strikeouts.

B SQUADDERS ENJOY GREAT SUCCESS

Although the varsity team did not fare as well as it expected to, the B Squad baseball team came through with a winning record of 8 wins and 4 losses overall in 1967.

The total of 8 wins included 3 victories against nonconference opponents. The first of these was a brilliant 5-0 shutout of Brooklyn Center's B Squad team. Later in the season while the varsity squad was beating Mechanic Arts, the sophomore team outplayed the Mechanic Arts sophomores 7-1. Finally, the team outslugged Spring Lake Park 8-4.

During the conference season the team, led by captain Jim Trapp and pitcher-infielder Tom Johnson, won 5 games against 4 losses. Johnson led the team in hitting with a batting average of over .400, and also made contributions as a pitcher. The victory over Mounds View was one of the biggest of the year, with the only really close victory being the 5-4 squeaker over Columbia Heights. On the other hand, the team lost its four games by close scores, with the exception of the White Bear Lake game. The results of the season provided hope for Coon Rapids' varsity team next season.

activities

LONG hours, paint splattered clothes, and a noisy locker room are just a few of the signs of afterschool activities. We take pride in knowing that the results of these activities make our school a school to be proud of.

BAND TAKES ON

The band swings at a pop concert.

"And the band played on . . . " That is exactly what the Coon Rapids Senior High School Band did under the expert direction of Mr. Clayton McCartney.

Besides acting as a booster at many of our home games, the CRSH band performed concerts to the enjoyment of students and parents alike. At our Spring concert the whole student body was amazed to hear the band doing the latest Latin rhythms and other well known songs such as a concert band Medley of Henry Mancini that included such favorites as "Girl from Ipanema" and "Moon River." Other songs were "Slaughter on Tenth Avenue" and "Rush Street Tarantula."

A NEW SOUND

Entertainment was also added as the band formed their own group of singers. Later on in the Spring the band went to the District Band Contest and represented Coon Rapids honorably, by entering eight ensembles into the State Contest.

In the fall, Band members sold candy to raise money for new risers. With money they obtained from selling concert tickets they went on a tour to Winnepeg, Canada, in the summer.

All would have to agree that the band gave Coon Rapids High School something to be proud of.

CARDIN-BELLS PROVIDES DEPTH IN MUSIC

"The school is alive with the sound of music . . ." This year at Coon Rapids Senior High School anytime during first of fourth hour one could hear the melodious strains of either the girls choir or the orchestra.

Under the direction of Mr. Axtelle the girls choir changed their name to the "Cardin-bells." This past winter during the Christmas season they performed a concert at the Anoka State hospital, where their talents as a choir were beautifully displayed.

In the past the Cardin-bells wore matching skirts and blouses for their concerts; however, this year they wore striking black choir robes with crisp white collars.

The choir is made up of junior and senior girls, and it was proven this year that a choir does not need boys to give depth and entertainment.

The purpose of an orchestra is to provide the listener with an enjoyable music to listen to.

This year under the direction of Mr. Blake the C. R. Orchestra fulfilled that purpose. The Christmas concert they presented was filled with many old time favorites plus new tunes that lighted up the season for Coon Rapids students. A new type of instrument was added also this year. Chimes were acquired, and they were used quite effectively to portary many different sound effects.

The orchestra isn't very large yet, but what they lack in number they have made up for in beautiful music.

Mona Hector and Sherry Hanson were chosen for All-State orchestra.

CHOIR HAS FASCINATING YEAR

The deep resonant power of male voices and the sweet strains of female voices resulted in Coon Rapids Senior High having a successful mixed choir this year.

The first of their talent was exhibited at Christmas time when yuletide cheer was wished to all the students and faculty of C. R. As the season progressed further, they sang at the Coon Rapids State Bank to the enjoyment of all.

As the school year went on, the choir decided to enter the music contest. Much preparation was involved in performing. They decided to sing Randall's Thompson's "Alleluia". As a warm-up number they chose "Farewell My Love," directed by student Jesse Anderson. Although the mixed choir sang with tremendous talent, they failed to get the required star to go on.

This disappointment did not get them down. Soon they were practicing in earnest for the Spring Concert. The final showdown came at the First Fine Arts Festival. Some of the songs they sang at the Concert were: "My sugar is so refined," "Beautiful Savior," "Evening song to God," and "I sat Down Under His Shadow." They proved that their talent as a choir was great.

The mixed choir was asked to sing at the annual awards banquet this year. They provided fine entertainment for all by singing three lovely songs.

The 1966-67 mixed choir season ended as they sang at the Baccalaureate ceremonies held for the graduating seniors June 4, 1967.

DARLENE, JUDY, HOLLY WIN DECA TROPHY

The Coon Rapids Chapter of the Distributive Clubs of America's purpose is to develop leadership throughout the year in the many activities in which they participated.

The club had a Fanny Farmers Candy Sales to earn money to buy their DECA blazers.

The Coon Rapids DECA Club was the first to get state recognition from the governor of Minnesota for national DECA week. Holly Hocks and Steve Boldt represented the club on the Mel Jass show. They informed the public about DECA on a state level.

They attended the delegate assembly at the St. Paul Hilton where they elected their state officers. One of the big events of the year was the State Leadership Conference at the St. Paul Hilton. At the conference the members participated in competitive events, with Judy Orttel, Holly Hocks, and Darlene Dahline winning 2nd place in the window display judging contest. This was the first trophy won by the members of the Coon Rapids DECA club.

The highlight of the year was, the Employee-Employer banquet, held at the King Chalet.

CREST ACTIVE IN COMMUNITY AFFAIRS

The main objective of the C.R.E.S.T. Club is to develop leadership and to learn to get along with other people.

They sponsored several charitable and fund raising activities. They played Santa Claus, and brought gifts to 200 children at the Cambridge State Hospital. They ran a coat check at school dances, and they also ran the concession stand for the Jaycee's basketball tournament. They also aided the Jaycee's by selling Snowflake buttons.

They attended the Fall State Conference to elect state officers at the St. Paul Hilton. They also attended the Spring State Leadership Conference. A Employee-Employer banquet was held at the King Chalet.

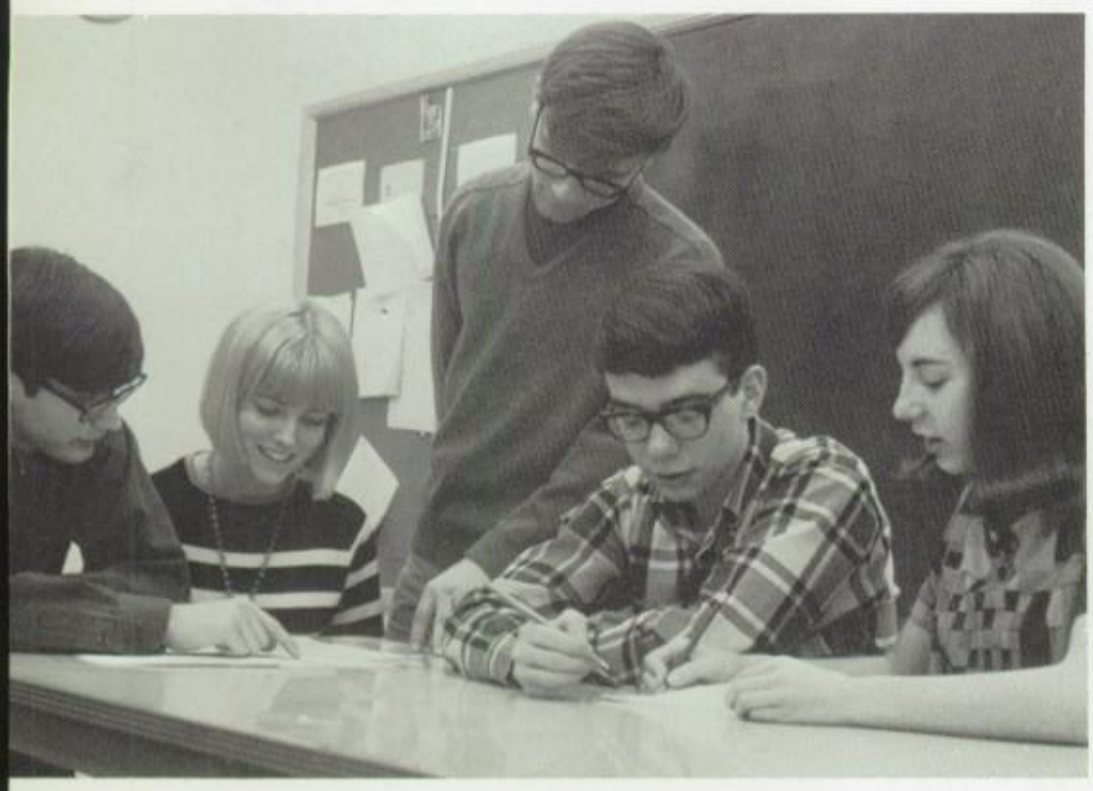
STUDENT COUNCIL ADOPTS INDIAN BOY



President Ralph Steele discusses the revised constitution with Cheryl McPherson, vice pres. Tom Teale, Barry Hoppe, and Teena Harvey.

This year's Student Council, under the direction of Mr. Leervig, began with making the plans for the Homecoming dance, coronation, bonfire, and snake dance. The Winter Festival was next on the list of main projects for the Council. The Council, under the leadership of President Ralph Steele, planned the Slave day, Casual day, and coronation of queen for the two day festival. In addition, they sold pep-booster buttons and sold cannisters of candy. The money raised from these sales went to the Scholarship Fund.

A different type of project for the Council to undertake was the adoption of an Indian child. A. Madasamy, a fourteen year old boy, was supported by the monthly contributions from our Council. These contributions provided Madasamy with not only food and shelter, but with clothing and an education.

Another function of the Council is to promote harmonious relationships between the community and the school. A problem of spray painting various buildings had come before the Student Council. To solve this problem our Council together with the Student Council from Anoka decided to exchange Council members for one hour and present the painting problem to both student bodies.

The last project was the revising of the constitution. The major revision was the change from room representatives to electing nine representatives at large from each grade in the spring.

CAMPUS LIFE HOLDS FORMAL BANQUET

Campus Life is an activity that gives persons from all religious denominations a chance to discuss religion and its effect on life. These sessions included Bible studies, discussion groups, and guest speakers. Some of the guest speakers this year included the Reverend Obinger, James Anderson, and Cindie Rydholm.

Along with these religious activities Campus Life members enjoyed their social gatherings. The first social activity was Bug Nite. Campus Life groups from all over the Minneapolis area got together and decorated Volkswagen cars. After the cars were decorated, one person got in to steer and the rest of the group pushed the car through an obstacle course. Next, a Christmas party was held. It included tobogganing and gathering at a church for refreshments and games. In the spring a formal banquet was held at the King Chalet.

This year's President was Cheri Onsager. Instead of having a secretary and treasurer, two Vice Presidents were elected to help the President. They were Clarice Bottineau and Jerolyn Shimer.

Alan plans the next meeting with Clarice and Cheri.

PAPERBACKS SOLD BY HONOR SOCIETY

The Honor Society, under the guidance of Mr. Tiplady, had an active year. The election of officers was first on the agenda. The results were: President, Dick Prestin; Vice-President, Sue Heikkila; Secretary, Donna Mattson; Treasurer, Darrell Skogen. Donna Mattson and Dick Prestin then attended an Honor Society convention in St. Paul where they learned of many projects the Honor Society could sponsor.

From these projects our Honor Society agreed that the most valuable would be to have a bookstore. This bookstore made a wide variety of paperback books available to the student body. Honor Society members sold these books before school and during the lunch hour in the concession stand. These books were also sold at the Honor Society's Book Fair during the Fine Arts Festival.

The Honor Society is also responsible for putting up the honor roll bulletin board in front of the office.

Ski Club provides excitement and entertainment for the winter-minded. This year the Coon Rapids Ski Club, under the supervision of Miss Palmer, completed this purpose but went beyond this by sponsoring a Computer Dance.

What started out as something different turned into something big. It was decided Anoka High School and C. R. would combine, thereby giving both schools a chance to meet new people. Those wanting to participate paid a dollar fifty and then received a sheet which required you to answer truthfully. Often it was hard to answer with complete truthfulness but that depended upon the person.

As the computer dance began that night, there was much anticipation and excitement. People began finding their ideal date and many shouts of surprise could be heard.

The dance ended with everyone in good spirits. Besides a dance, the ski club traveled to Afton Alps and Trollhaugen to enjoy the thrill of skiing.

The year ended with hopes for another successful ski year.

SWIMMING TEAMS

1966-67 was a big year for the GAA. With its large membership, the GAA enjoyed many activities including a Morp, a dance where the girls invited the boys, and a wild initiation day where all incoming members had to wear, among other things, a bib printed with "I Am a GAA Baby." Many nights the girls were found struggling to learn the bare essentials of sports such as basketball, tennis, and archery. The girls who were particularly interested in bowling had the chance to go to a bowling alley every other week.

Along with the regular extra teams included in GAA, this year saw a new precedent set — a girls' swimming team. Though they lacked a strong turnout, those who did come out worked hard. They practiced two nights a week for three months during the fall and early winter.

Spring saw many girls turning out for tennis and track. Here again the turnout was somewhat small, but the enthusiasm was abundant. Many of the girls were on both teams, which had its obstacles: occasionally both teams had meets at the same time. Because of lack of competing girls' teams, there were few meets to attend, but the girls are hoping for a better chance next year.

CHESS CLUB'S FIRST COMPETITIVE YEAR

The chess club was a member of the Twin City High School League. The club met every Tuesday night for meetings. Each team had five members with Mr. Legrid and Mr. Coleman as their coaches.

This was the first year the chess club competed with other schools. In the winter, the club met once a week and held six matches with North Suburban Schools. The members for these matches were chosen by the process of elimination within the group.

All players were free to come and play whenever they wanted to because the club was formed for those who enjoyed playing chess.

CARDETTES PERFORM AT AQUATENNIAL

Seven o'clock in the morning all is not quiet at Coon Rapids Senior High. At this hour every morning twenty-one girls practiced routines of precision movement.

These are the Cardettes, a drill team advised and organized this year by Mrs. Lumsden. They performed at school sports events, coronation programs, and in the Minneapolis Aquatennial.

A variety of routines and music displayed the versatility of the Cardettes. They used Dixieland jazz, oriental music, rock and roll, and marches.

The Cardettes designed and made their outfits of red velveteen lined with white satin and trimmed with gold buttons for a military effect. Red headbands completed the costume.

Plans for next year include purchasing boots to replace their white tennis shoes, and recruiting a larger squad which will be led by Jamie Wolfe and Debbie Deetz.

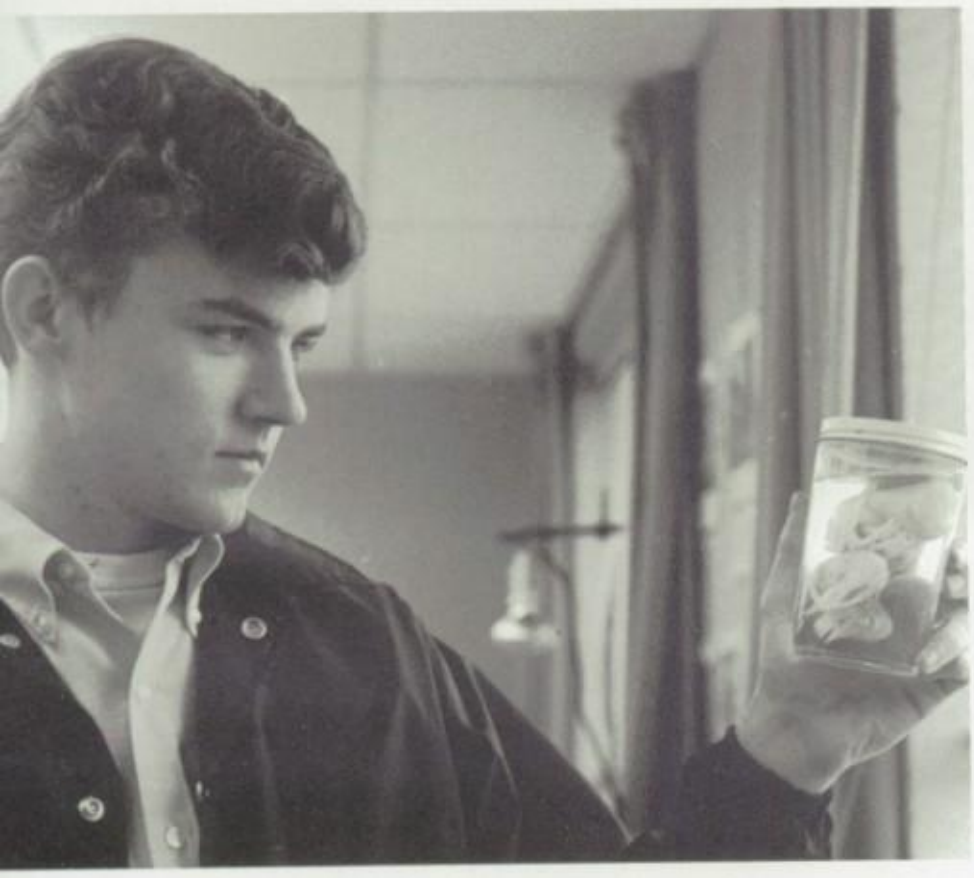
ACTIVE BIOLOGY CLUB VISITS ROCHESTER



The biology club has been very busy this year. They have done everything from planting trees around the school to taking a fieldtrip to Rochester. Officers were elected at the first meeting and have led the club all year. They are: President, Mark Wold; Vice President, Greg Vesaas; Secretary-Treasurer, Carolyn Arnold. The advisers were Mr. Lacina and Mr. Tiplady.

The club has had many projects this year. They started off the year by judging science fair projects. Later this year they took a field trip to Rochester. There they visited the Mayo Clinic, St. Mary's Hospital, and the Historical Museum. Two biology club members from our school also went on a camping trip to Wisconsin with the Anoka biology club.

Mark Wold had this to say! "Although attendance has dwindled, the biology club has done very well in completing its projects and hopes to do better next year."

NEW CLASSICS CLUB FOR OLD LANGUAGE

Nineteen sixty-seven was the first year for the CRSHS Junior Classical League. Though they had no special projects, they developed a constitution officiating membership and other intracacies needed to begin a club of any sort.

The election of officers put Stephanie Neuenfeldt as president, Diane McKnight as vice president, and Pamela Graves as secretary-treasurer. The only requirement for membership in the club is enrollment in a Latin class at any time during a students high school career.

The club meets twice monthly and next year plans to journey to the state convention.

Finally, the purpose of the League is to promote a more thorough knowledge of Roman life, history and literature.

FRENCH CLUB SEES FRENCH FILM "SILVIE"

At the October meeting of the French Club, a Halloween party was held and refreshments were served. For the entertainment aspect of the club, they watched French films, played French Scrabble and had Barb Beecher and Jeanne Prince speak about how France was when they lived there.

The French Club had a booth in the Fine Arts Festival. The proceeds from this festival went to the Scholarship Committee. In the booth the club sold French food and pastries. They also hosted a five-minute skit on the play "William." The actors for this skit were chosen from the French classes and the club.

The French Club finished up the year by attending the French film "Sylvie" on their spring outing.

The elected officers of the club this year were: President, Diana Oulman; Vice President, Bonnie Linde; Secretary, Nanci Nitz; and Treasurer, Gail Saxton.

SPANISH CLUB SEES ACTIVE YEAR

The busy Spanish Club's first acitivity of this year was taking care of the concessions at the first performance of "I Remember Mama" last fall. Guest speakers during the year have been Mrs. Defay from Coon Rapids Junior High, giving two interesting talks and showing her Latin American slides, and Yenne Matute, exchange student from Anoka Senior High School, giving a talk on the native country, Ecuador.

Another highlight of the year was the Christmas Party. Everyone from the Spanish classes was invited and it was a great success. With the money made from the concession, club members attended a movie, and award pins were purchased for good attendance and hard work. At the Fine Arts Festival the Spanish club sold flowers and pastries. Officers for the year were Linda Philipczyk, President; Dan Sierra, Vice President; Cindy Lamb, Secretary; and Clarice Bottineau, treasurer. The Advisers were Mrs. Bloedel and Mrs. Veiman.

GERMAN CLUB ENJOYS DINNER AT HOFBRAU

The German club, in its second year, planned many activities, aimed at broadening students' interests and understanding of Germany; its people, culture, history, and language. A highlight of the year was a trip to the Hofbrau, a restaurant where each student ordered a complete German meal. Their guest was a German foreign exchange student who added many interesting points about his native land. The cost of the trip was covered by the proceeds from the concession which the club held during the play "I Remember Mama". Other special events included the booth at the Fine Arts Festival where they sold refreshments, numerous guests who spoke and showed slides, and a talented young pianist who played music by German composers such as Bach. Mr. Rykken, the club adviser, added much to the organization, since he had spent time in Germany learning about the people and their customs. The officers of the club include Linda Rasmussen, President; Karin Berndt, Vice-President; Cheri Olson, Secretary Treasurer; Pat Towne, Program Chairman.

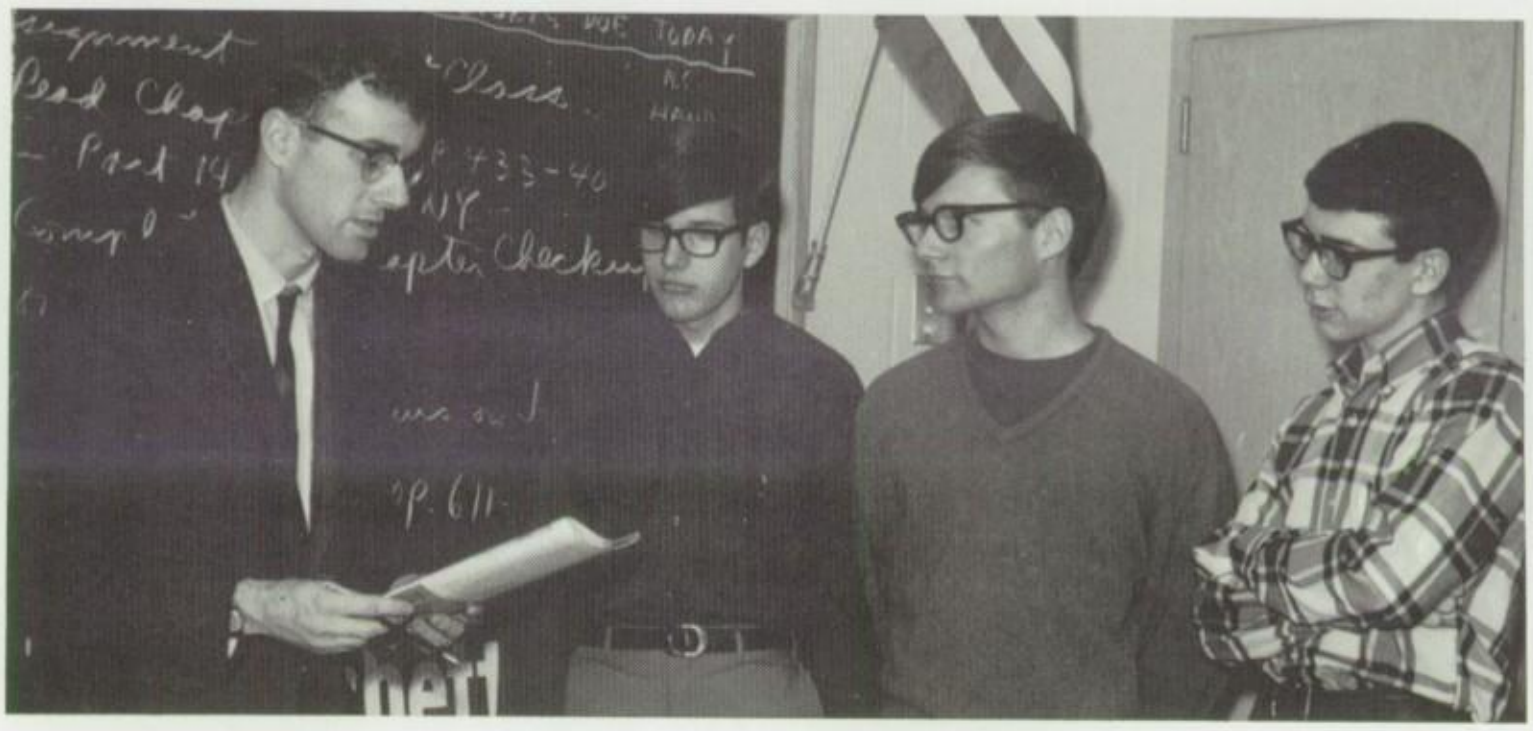
YDFL CAMPAIGNS WITH HUMPHREY, ROLVAAG



Young Democrats keep posted on current campaign issues.

The Young Democrats and their adviser Mr. Rolph welcomed such guest speakers as John Wegdahl, County D.F.L. leader and Connie Burchett, State representative. D.F.L.er's also campaigned with the barnstorming team which included Vice President Humphrey, former Governor Rolvaag, Senator Mondale, and many other State D.F.L. leaders.

This year proved an exciting and interesting one. The Young Republicans not only met some of the major Republican leaders but they also had a chance to develop their future political beliefs.

NEWSPAPER FINDS NEW FORMAT SUCCESSFUL

Mrs. Heunisch, Cheryl, and Wendy check dummy for last minute corrections.

"This cut won't fit." This is one of the many problems that the Hi-Lites staff had to solve in producing the monthly addition of the Cardinal Hi-Lites.

This year the staff worked to improve their paper. They followed the rules and standards set by the National Scholastic Press Association, in order to improve the paper. The Hi-Lites was judged by NSPA for the first time.

They also included many interesting articles to add to the paper. Such were Labaik's Review, letters from our Indian child, and Skogen looks at the World, not to forget the sports reviews.

The newspaper sold apples during lunch to buy a new camera. The school sent six members of the newspaper to a seminar at the University of Minnesota. The school also sent Barb Bennett, editor-in-chief, to a workshop this summer.

The newspaper editors were chosen for the 1967-68 school year. They were Wendy Hruska, editor-in-chief, and Louis Wagstrom, Assistant Editor. To break the tedious work, the newspaper and yearbook staffs had a silly Christmas party, exchanging different and unusual gifts.

Festive paper conceals awesome and gruesome presents for publications staff.

CLASSES HANDLE PUBLICATIONS FINANCES

The Business Staff for the 1966-67 Cardinal is in its first year. The Staff consisted of students from Mr. Johnson's fourth and fifth hour Merchandising and Sales classes.

This year's Business Staff contributed much to the 1966-67 yearbook. They sold ads which helped pay for our yearbook and at the same time allowed the yearbook staff members to devote more time in the production of the Cardinal. A contest was held between the juniors and sophomores to see which class could buy the most yearbook subscriptions; the winners were the juniors by a small margin. The Business Staff also sold ads for the newspaper. This helped to pay for the newspaper and gave the staff members more time to work on their newspaper article.

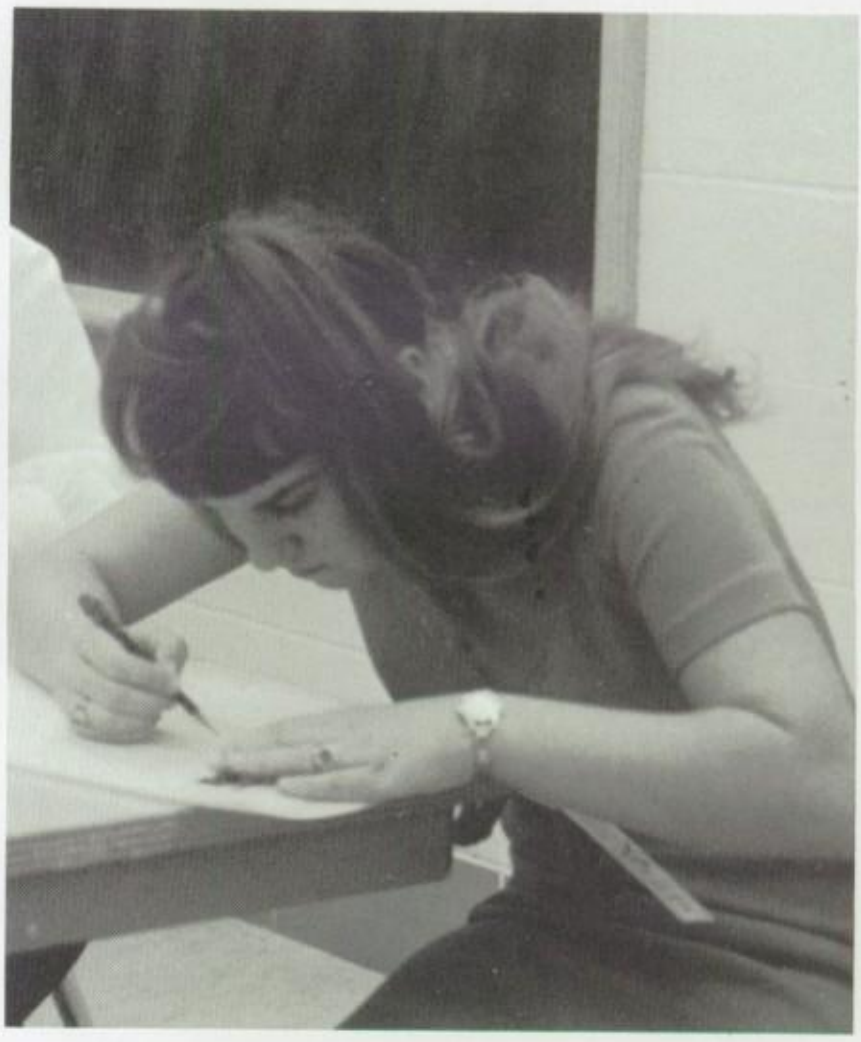
FLEDGLING II RECEIVED ENTHUSIASTICALLY

The Fledgling staff, operating on no capital, was a little reluctant to inform CR students that the literary magazine would not be free this year. Last year Fledgling I, on its world premiere, was given free to each student who bought a yearbook to herald creative works of CR's talented writers.

Reluctance, however was unwarranted. Fledgling I had done a good job of selling; half the students of the school ordered copies.

Gloom set in again when Editor Bob Labiak was told that the book he wanted to assemble would cost twice as much as he had promised the students they would pay. To cut the bill, Bob had to accept a different cover and paper; the book also had to be typed instead of set in the face of his choice.

In spite of these problems, the staff was proud of its publication. They voted to keep the style set by Fledgling I of using artwork, stories, and poems rather than add editorials and reviews as many similar magazines do. The magazine was increased from 32 to 52 pages.



Nancy Nitz works hard to finish the senior class section.

YEARBOOK ADVANCES TOWARD COMPLETION

"Only 20 more pages and we'll meet this deadline." This was a common saying in the publications office after school as 29 students, three of whom were 1966 Cardinal veterans, worked to produce the 1967 Yearbook.

This year's Cardinal saw many changes. The book was expanded from the 176 pages in last year's book to 240 pages. Two colored pictures were also added this year, and plain red end sheets.

Many people helped this year in producing the Cardinal. Kandi Klobes under the supervision of Mr. McGowan designed the cover for this book. Tom Snell and Steve Lubbers assisted Steve Dick in developing pictures. But the whole staff worked hard to uphold the high standards set by the 1966 Cardinal which received First Class ratings by the National Scholastic Press Association.

The school has cooperated in training our staff in proper yearbook procedures. They sent the Editor Beth Thornhill to a summer workshop at the University of Minnestoa. During the year they also sent six staff members to a seminar at the University of Minnesota.

RITA, ALAN, DIANE SANDY, JULIE TAKE SECOND IN STATE

In the past 1966-67 school year, there were many memorable experiences that occured, but in the speech department new honor was gained that far outshined any of the other years.

The Coon Rapids speech team under the guidance of Miss Birkeland, Miss Person and Miss Palmer took State runner-up in the State Speech Contest. The five people placing with A's were Sandy Haagberg in storytelling, Alan Aleckson in non-original oratory, Julie Bergerson in serious interpretation, Rita Towne in humorous reading, and Diane Picquet in extemporaneous reading.

It was proven throughout the whole of the contest from the local to the state that the team had the support of many CR students. A busload of students was taken every time they went away. And even when the district contest was held at our school, many interested students were on hand to give the team confidence which is needed so badly in a contest of this sort. Our own principal, Mr. Lappin, took an avid interest in the contest also, for he was to be seen at every level of the contest.

With the presentation of the State runner-up trophy and the regional trophy to the school, Coon Rapids proved again that in every field we are a top rate school.

FRONT ROW: Rita Towne, Cheryl Wollschalager, Judy LaHue, Pam Bergenson, Cathy James, Pat Whalen, Linda Pietila, Jane Reimer, Jeanne Handford, Sandy Haggberg. SECOND ROW: Sherry Bryant, Darrell Skogen, Bob Guisinger, Pam Schermerhorn, Karen Sandell, Barb Beecher, Gail Saxton, Vikki Julson, Diane Picquet. THIRD ROW: Julie Bergerson, Mary Schlough, Bob Labiak, Dick Cotrell, Alan Aleckson, Brian Van Dusen, Tom Wiborg, Larry Hlavsa, Dave Robertson, Kay Hallblade.

Debate members Gayle Alden, Rita Towne, Karen Sandell, Debbie Wickstrom, and Darrell Skogen are coached by Mr. Woizeschke.

DEBATE TEAM ADDS FOUR NEW MEMBERS

"Resolved: that the foreign aid policy of the United States should be limited to nontotalitarian countries."

This was the topic that the five debaters, under the leadership of Mr. Woizeschke, debated during the 1966-67 season. With only one experienced debater returning from the previous year, the team had to rebuild almost completely. The results were highly encouraging considering this task. After winning three and losing three matches at the Spring Lake Park Invitational, the team won four and lost four at St. Cloud State to break-even, and won four out of twelve rounds at Macalester.

The results of the district tournament were very discouraging. After winning only one out of six rounds at district, the hopes for success at region were shattered. However, with the negative team winning two out of three rounds, and the affirmatives losing their three debates by a total of only five points, the region tournament provided the debate team one of their more successful meets.

WARM AND HUMOROUS

The 1966-67 dramatic season was launched with the unforgettable play "I Remember Mama." When a family of Norwegian immigrants travel to a new country such as America was, there were bound to be many different and perplexing problems. As in the case of Mama's banking system which in reality was not a bank account but rather her way of giving the family she loved a sense of security. Mama kept peace in the family when it came to her sisters Trina, Jenny, and Sigrid, and their frightening Uncle Kris.

Mama was always there when a comforting word was needed, or when someone needed an eager ear to listen to a tale of woe.

The whole play was told through the diary of the eldest daughter, Katrin, who through a series of dilemnas discovered the understanding and thoughtful ways of her mother.

As in other activities, Coon Rapids was very proud of the beautiful accomplishments made in the drama department through the presentation of "I Remember Mama."

THE GREATEST SHOW ON EARTH IN "J.B."

Satan watches as J. B. and his family celebrate Thanksgiving.

"Show me my guilt, O God." These words were uttered numerous times throughout the inspirational play, "J. B."

The story which was written by Archibald Macliesh is based on the biblical story of Job. In this modern day version of Job, we see man as a player in the greatest show on earth — life.

In the opening scenes God and Satan are arguing about the righteousness of J. B. Satan contends J. B. will curse God if all is taken away from him. God, having complete faith in him, gives Satan the power to take from J. B. his children, possessions, and to afflict his body with hideous sores. Satan finally takes from him the love of his wife when she utters one of the more famous lines of the play, "Curse God and die."

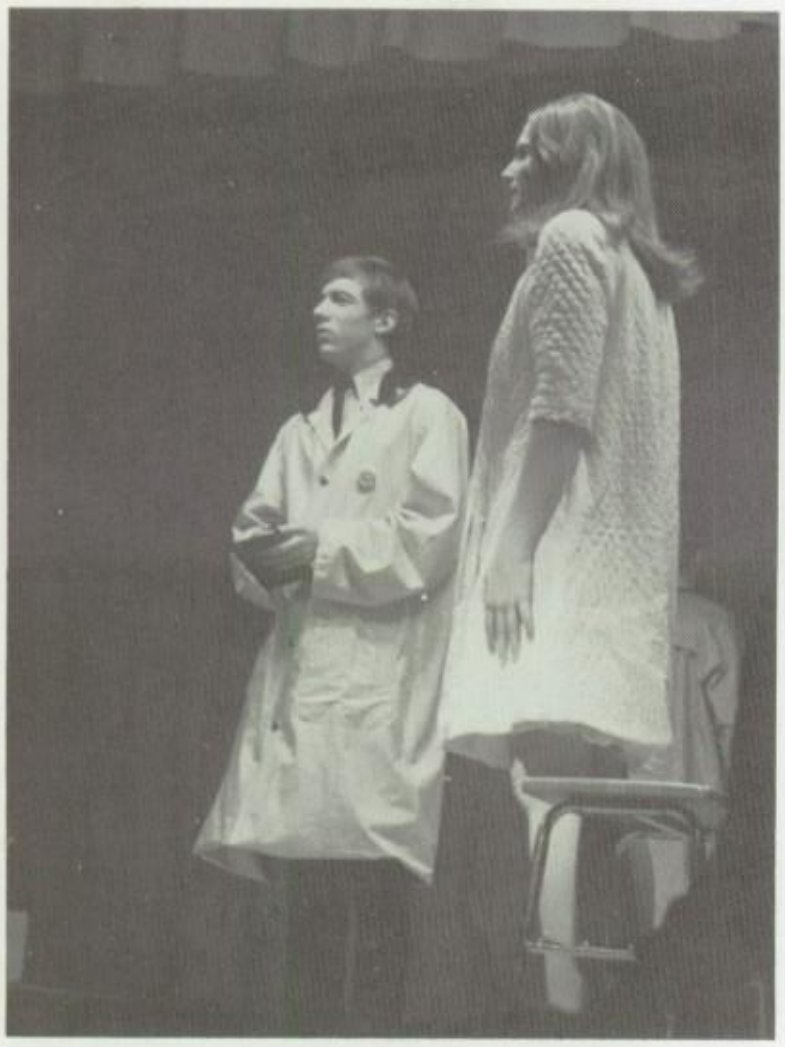
After these events J. B. goes about the earth seeking reasons for his guilt. He questions God and his motives.

In the final scene of the play J. B.'s wife Sarah returns to him because of love. And as the lights dim, J. B. expresses the true meaning of life, that only love will last through sorrows and hardships, and that although it does go through so much it will renew itself again and again.

This was a more difficult play to be presented by a high school group, but thanks to wonderful actors and marvelous advisors such as Miss Birkeland, Miss Person and Miss Palmer, "J. B." was acclaimed for its excellent interpretation.

"J. B." reached its highlight, however, when Act II was adapted for the One Act Play Contest. At this contest Coon Rapids went all the way to the region competition.

The cast is listed on the first page of the index.



The police tell Sarah of her child's death.

J. B.'s "comforters" try to show him his guilt.

BACKSTAGE IS CONFUSION, CARDS, TEARS

SOMETHING NEW FOR CR: MODERN DANCE

The stage is completely dark. Silhouettes can be seen vaguely. Then there is the first strain of music and the spot lights come up. The seemingly dead creatures come to life.

Such is the scene that was to be witnessed at Coon Rapids first Fine Arts Festival.

It all began in Miss Birkeland's Speech II classes. The main purpose of this class was to help one become graceful in movement on stage. During second or fifth hour one could enter the auditorium and see strange sights: girls running around in black tights and turtlenecks, or shorts and bare feet; boys in weird outfits, also with bare feet.

Once the students overcame the shock of such informality in a classroom, they were able to sit back and enjoy the slow, relaxed atmosphere.

This year was the first time the speech classes formally presented their abilities. Second hour did a ballet and a jazz number to "Exodus." Fifth hour performed a ballet from "Swan Lake" and a jazz number, "Taste of Honey." To round out the program, a combination of six boys and six girls formed to present the musical number "Hey, Look Me Over" from "Wildcat."

Dave Robertson and Vicki Julson dance a ballet from "Swan Lake."

Dave teams up with Rita Towne in a routine they developed together pantomiming a pair of window washers who fall in love on the job.

"MOON RIVER"

Christmas tree lights in May? The decorations committee for this year's Prom dug strings of blue lights out of storage and edged a wide stream of foil covered with blue net forming a "Moon River." The completed scene showed the beauty and splendor of a southern plantation.

The success of the prom was accomplished through the hard work of various committees headed by Mr. Woizeschke. The decorations for the prom were two very large murals of a plantation, a showboat on which the band played, a large bridge decorated with pink and white tissue flowers.

The Prom began at 8:30 with the band playing the theme "Moon River"; at 10:00 the Grand March began, and after that the couples could get refreshments or dance the evening away until 11:30.

This year's Prom was one that all who attended will remember because of its beautiful atmosphere.

FIRST HOMECOMING

The crown bearers are Steven and Sandra Huwe.

Homecoming weekend started with the Ramsey dummy being tossed into the bonfire by the team captains Ralph Wirtz and Jim Bell. Although the bones of the dummy kept the fire burning, an old door, newspapers, and wood were the major part of the fuel. Along with the bonfire was a snake dance led by the football cheerleaders, up Wren Street and back.

At the pep fest Friday afternoon, Judy Tokle was crowned queen, robed, and given a bouquet of roses. Her six attendants were crowned and received single red roses from their escorts. After the coronation, the annual faculty skit was presented. This year it was "Cardinella," a parody on Cinderella, written by the teachers and narrated by Miss Person. Mr. Rolph led the Greek chorus, an added attraction of the skit.

During halftime of the game held immediately after school, there was a procession of the queen, her attendants, and the float. As the band played, they formed a heart around the royalty. The end of the game showed another Cardinal victory. The graduates were pleased with the winning efforts of the football team.

The dance, featuring the John Reynolds Band, ended the 1966 Homecoming.

SLAVES, QUEEN AND VICTORY ADDS TO C.R. WINTER FESTIVAL

"Most honorable master, tower of wisdom, pillar of virtue, king of kings, prince of princes, I, Your most humble slave, humbly request permission to speak."

This is an example of what happened on January 26, when the Student Council sponsored a casual dress slave day. The slaves were sold for fifty cents, and the seventy dollars raised went to the Scholarship Fund. All day long you could see girls walking around doing some service for their masters. The duties of a slave were to carry books, open lockers, and almost anything else that her master commanded her to do. Slave day proved to be fun for all, but the girls had to admit their masters had quite an advantage.

At the assembly on Friday, the Cardettes performed two numbers, "North To Alaska," and "Honey Bun." After they concluded their performance, they formed a heart for the presentation of the royalty, at which time Glen Vaseca crowned Barb Femrite Winter Festival Queen.

The queen and her attendants all wore pastel pink formals. The attendants received one pale yellow rose, and Queen Barb received a bouquet of yellow roses.

The basketball cheerleaders then took over with a pep fest, to urge our team on to a victory. Later on that evening the Cardinals did bring a decisive victory against North St. Paul. The spirits ran high as the students attended the dance in the cafeteria with music provided by the Accents.

And as 11:30 drew nearer the 1967 Winter Festival drew to a happy end.

The editors of the Cardinal wish to thank everyone who cooperated in producing this book.

. . . Mr. Wilder of David Banks Studios, who spent his time taking pictures that were necessary to this book.

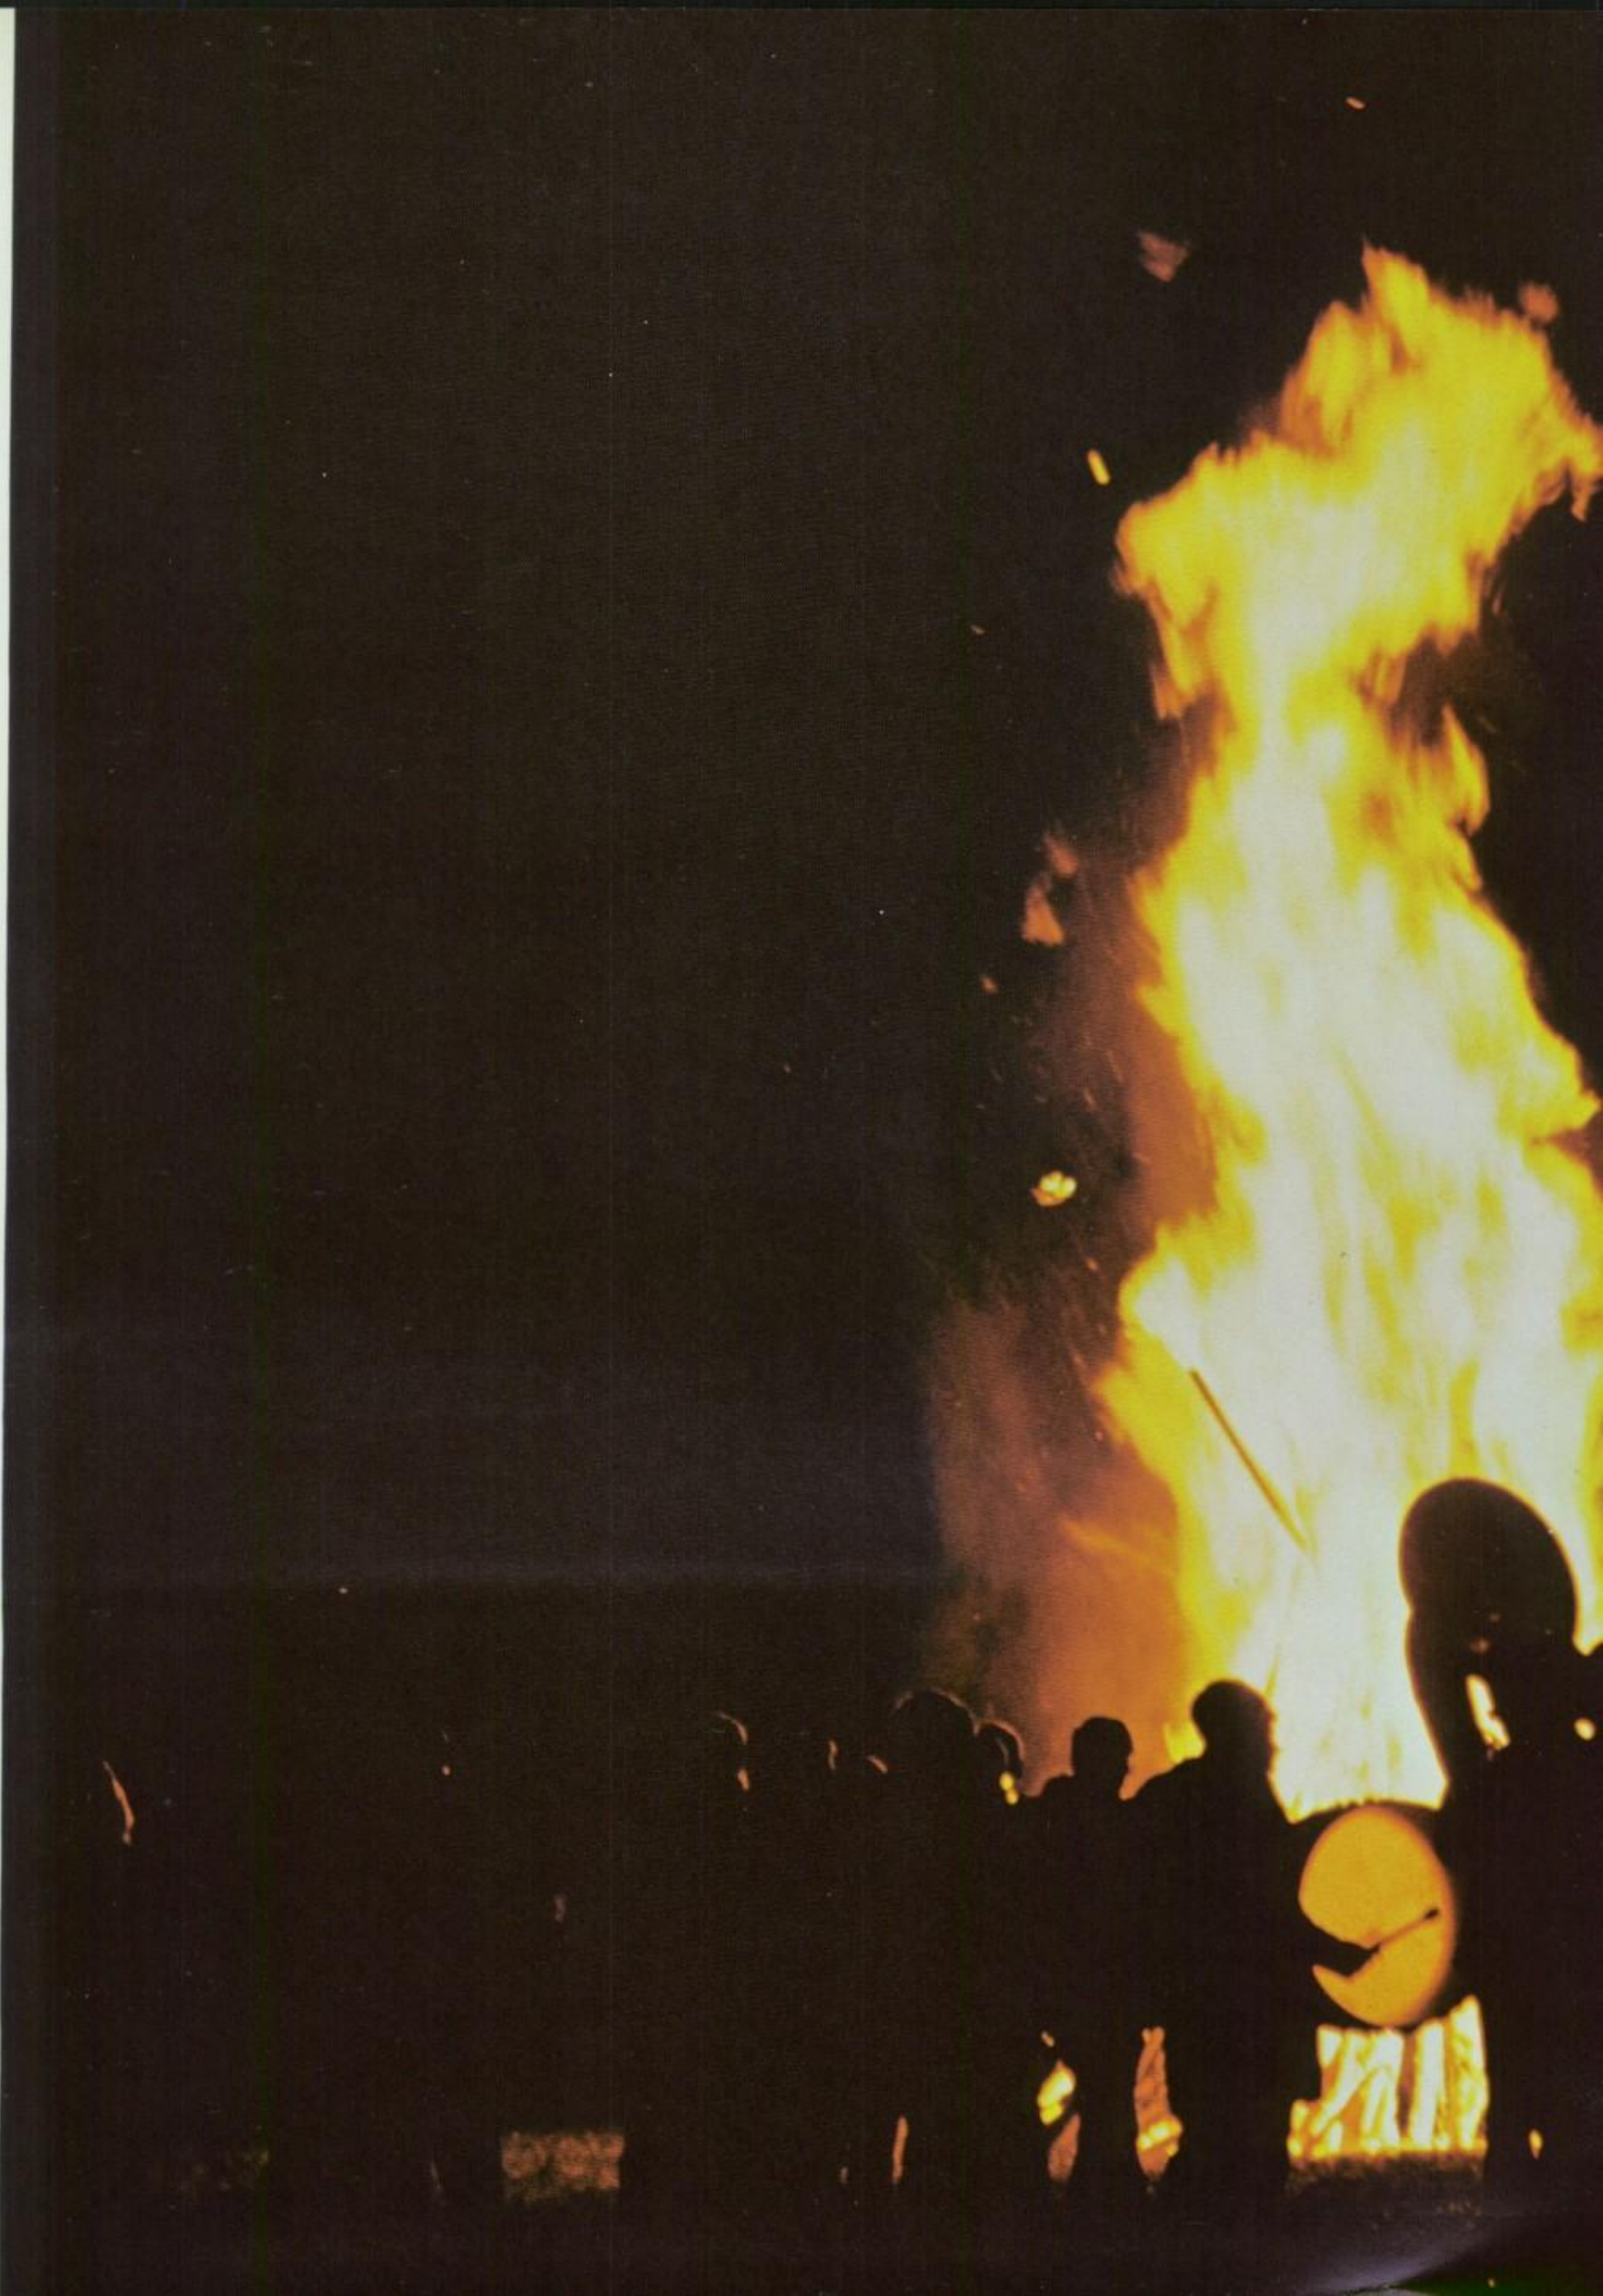
. . . Mr. Hedstrom of the American Yearbook Co. for his advice on producing.

. . . Mr. Lappin who has been very cooperative in sending our staff to training sessions, and the secretaries who have lent us the tape.

. . . Mr. Johnson and his business staff who sold ads and gave us more time to spend producing this book.

. . . Each member of the Cardinal staff who worked and made this book possible.

. . . Mrs. Rither, our adviser, who guided us through the year in our struggle to publish this book.



THE seniors will be leaving a final time; the underclassmen will be back after vacation. But everyone will look back on the memories of Coon Rapids 1967 - memories that will smolder in thoughts for a lifetime.

As the second year of Coon Rapids Senior High's young life comes to a close, we reflect on its joys, its labors. It was the year of Moon River, the first Fine Arts Festival, the first swimming team, and the year of a thousand seconds — endeavors initiated previously repeated successfully. It was a year recorded by the Hi-Lites staff in monthly installments, and bound in this volume by the Cardinal staff. Both staffs combine to wish the second graduating class sincere congratulations.

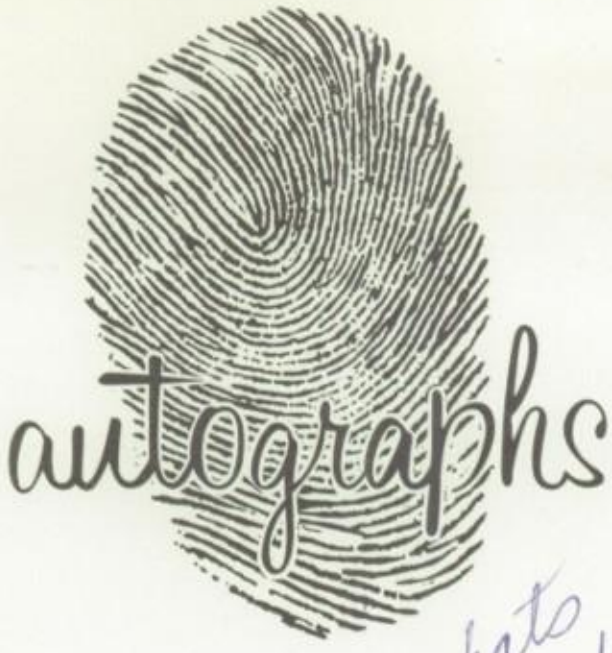
Keith
Ya know, you're
pretty dumb for a smart
kid, too bad I got to know
you so well cause what a
disappointment!!! Really, I'm afraid
English would have been damn
boring without your stupid, stupid, miserable.
we had a lot fun and I don't know how say
toasters stood us. Well, take it easy. Don't go
getting married anything like that. Good luck
cause you're one guy who'll need it. I might
meet ya some pool hall sometime after graduation,

Craig

Keith
Well this is it,
were going down to
the last few days. It
has been alot of fun. Thanks
for all the lunch money; I still
owe you 35¢. Just try to collect
it buddy. Remember to keep your (shirt)
on when you stay at someone's house - you
might run into some unexpected company.

Ron



Keith,
Hi - I don't really know you that well but that's OK! I guess I won't see you next year because you graduating (you lucky!) this year. Maybe I'll see you during the summer. You a sweet kid, so I don't ever change-OK! Well I haven't got much to say but "Good Luck!" As though you needed it!! Try not to get into so much trouble this summer-!! Buy

Linda F

Keith

Hi ya kid. Hope your love life is all right and every thing else too. Good luck

Bob "67"

Keith

You lucky dog. You got to sit by me in lunch and in 5th hour. Nobody I know has ever been that lucky. At last were getting out of this hole. I'll probably see you this summer. Jay

Good Luck

Hi Ruth,

Sam's trying to tell me what to write. He's telling me a whole bunch of rotten things about ya. But I won't listen to him. OK?

Good luck with your radio announcers career. You'll make a good one, too! When you get your own program say hi to me.

I'm mad at ya cause ya didn't ask me to the Prom (just kidding) It was fun at Bel-Rae a couple times.

Good Luck in the Cold, cruel, world.

As always,

Colleen

Faith,

I don't know about you but I'm sure glad that we're going to graduate this yr. That means no more sick lunches or lousy jokes. Best of luck in the future. Be good and have fun this summer... too bad you can't do both.!!

Mark "67"

Erik,

Well, it's about over; all 3yrs. of it.
We've had a great time, haven't we?
The Westminsters - Always !!! (That's us.)
To a talented musician, a good friend,
and a great guy - the best of sucess!

As Always,

Steve Defrey

MANAGER, THE WESTMINSTERS
